### Foreign-Trade Zones Board

[B-17-2013]

#### **Foreign-Trade Zone 84—Houston, TX; Notification of Proposed Production Activity; Toshiba International Corporation (Hybrid Electric Vehicle Motors and Generators Production)**

The Port of Houston Authority, grantee of FTZ 84, submitted a notification of proposed production activity on behalf of Toshiba International Corporation (Toshiba), located in Houston, Texas. The notification conforming to the requirements of the regulations of the Board (15 CFR 400.22) was received on February 11, 2013.

The Toshiba facility is located at 13131 West Little York Road, Houston (Harris County), Texas. A separate application for subzone status at the Toshiba facility is planned and will be processed under Section 400.31 of the Board's regulations. The facility is used for the production of electric motors and generators for hybrid electric vehicles (HEV). Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products included in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Toshiba from customs duty payments on the foreign status components used in export production. On its domestic sales, Toshiba would be able to choose the duty rates during customs entry procedures that apply to electric motors and generators (duty rates range from free to 2.5%) for the

foreign status inputs noted below. Customs duties also could possibly be deferred or reduced on foreign status production equipment.

The components and materials sourced from abroad include: Plastic film, strips and sheets, synthetic textile cord, cloth for technical uses, steel nuts and washers, parts of motors and generators, permanent magnets, variable resistors, electric terminals and couplings, electric synchros and transducers (duty rates range from free to 4.2%). Toshiba has indicated that the textile cord would be admitted to the proposed subzone in privileged foreign status.

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is April 10, 2013.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via [www.trade.gov/ftz](http://www.trade.gov/ftz).

### International Trade Administration

#### **Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Advance Notification of Sunset Reviews**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**Background**

Every five years, pursuant to section 751(c) of the Tariff Act of 1930, as amended (“the Act”), the Department of Commerce (“the Department”) and the International Trade Commission automatically initiate and conduct a review to determine whether revocation of a countervailing or antidumping duty order or termination of an investigation

suspended under section 704 or 734 of the Act would be likely to lead to continuation or recurrence of dumping or a countervailable subsidy (as the case may be) and of material injury.

**Upcoming Sunset Reviews for April 2013**

The following Sunset Reviews are scheduled for initiation in April 2013 and will appear in that month’s Notice

of Initiation of Five-Year Sunset Review. With respect to the orders on Light-Walled Rectangular Pipe and Tube, we have advanced the initiation date of certain Sunset Reviews upon determining that initiation of the Sunset Reviews for all of the Light-Walled Rectangular Pipe and Tube orders on the same date would promote administrative efficiency.
