Participation Requirements

All parties interested in participating in the Trade Mission to Egypt must complete and submit an application package for consideration by the U.S. Department of Commerce. All applicants will be evaluated on their ability to meet certain conditions and best satisfy the selection criteria as outlined below. A minimum of 15 U.S. companies and/or trade associations and maximum of 20 companies and/or trade associations will be selected to participate in the mission from the applicant pool. U.S. companies or trade associations already doing business with Egypt, as well as U.S. companies or trade associations seeking to enter these countries for the first time may apply.

Fees and Expenses

After a company has been selected to participate on the mission, a payment to the U.S. Department of Commerce in the form of a participation fee is required. The fee for one representative to participate in the mission is \$1400 for an SME and \$2100 for large firms or trade associations. The fee for each additional company or association representative (SME or large firm) is \$400. Expenses for travel, lodging, most meals, interpreters, and incidentals are the responsibility of each mission participant. Participants may be able to take advantage of Embassy rates for hotel rooms.

Conditions for Participation

- An applicant must submit a completed and signed mission application and supplemental application materials, including adequate information on the company's products and/or services, primary market objectives, and goals for participation. If the U.S. Department of Commerce receives an incomplete application, the Department may reject the application, request additional information, or take the lack of information into account when evaluating the applications.
- Each applicant must also certify that the products and services it seeks to export through the mission are either

produced in the United States, or, if not, marketed under the name of a U.S. firm and have at least 51 percent U.S. content. In the case of a trade association or trade organization, the applicant must certify that, for each company to be represented by the trade association or trade organization, the products and services the represented company seeks to export are either produced in the United States, or, if not, marketed under the name of a U.S. firm and have at least fifty-one percent U.S. content.

Selection Criteria for Participation

Selection will be based on the following criteria:

- Suitability of the company's (or, in the case of a trade association or trade organization, represented companies') products or services to the targeted markets
- Applicant's (or, in the case of a trade association or trade organization, represented companies') potential for business in the target markets, including likelihood of exports resulting from the mission
 - Consistency of the applicant's goals and objectives with the stated scope of the mission

Referrals from political organizations and any documents containing references to partisan political activities (including political contributions) will be removed from an applicant's submission and not considered during the selection process.

Timeframe for Recruitment and Applications

Mission recruitment will be conducted in an open and public manner, including posting Export.gov—and other Internet Web sites; publication in trade publications and association newsletters; direct outreach to the Department's clients; posting in the **Federal Register**; and announcements at industry meetings, symposia, conferences, and trade shows.

Recruitment for the mission will begin January 28, 2013 and conclude no later than March 14, 2013. The U.S. Department of Commerce will review applications and make selection decisions on a rolling basis until the

maximum of twenty participants is reached. We will inform all applicants of selection decisions as soon as possible after the applications are reviewed. Applications received after the March 14 deadline will be considered only if space and scheduling constraints permit.
