SUPPLEMENTARY INFORMATION: The Burlington County Bridge Commission, who owns and operates this bascule drawbridge, has requested a temporary deviation from the current operating regulations set out in 33 CFR 117.5 and 117.716 to facilitate the replacement of the bascule span deck.

Vessel openings will be provided with at least 12 hours advance notice given to the bridge operator at (856) 829-3002 or via marine radio on Channel 13.

Vessels that can pass under the bridge without a bridge opening may do so at all times. There are no alternate routes for vessels transiting this section of the Delaware River.

The Coast Guard has coordinated this deviation with the Delaware Pilots, and will inform the users of the waterways through our Local and Broadcast Notices to Mariners of the closure period for the bridge so that vessels can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.
