BILLING CODE P

DEPARTMENT OF LABOR

Occupational Safety and Health Administration

[Docket No. OSHA-2012-0015]

Kiewit Power Constructors Co. et al.; Application for a Permanent Variance and Request for Comments

AGENCY: Occupational Safety and Health Administration (OSHA), Labor.

ACTION: Notice of an application for a permanent variance and request for comments.

SUMMARY: Since 1973, the Occupational Safety and Health Administration (OSHA) has granted permanent variances to a number of chimney-construction companies from the provisions of the OSHA standards that regulate boatswain's chairs and hoist towers, specifically paragraph (o)(3) of 29 CFR 1926.452 and paragraphs (c)(1) through (c)(4), (c)(8), (c)(13), (c)(14)(i), and (c)(16) of 29 CFR 1926.552. These variances use temporary personnel-hoisting systems to transport workers to and from worksites in a personnel cage while constructing tapered chimneys using formwork techniques and procedures. Recently, the Agency received applications from 15 employers for a variance addressing chimney and chimney-related construction that, like the previous variances, propose to use temporary personnel-hoisting systems to transport workers to and from worksites in a personnel cage. These variance applications, however, included conditions that address construction of chimneys and chimney-related structures using temporary hoisting systems and procedures in association with two different methods of construction (i.e., formwork and slip-form construction) and two different structural configurations (i.e., tapered

and straight-barreled). OSHA consolidated these variance applications into a single application for publication in this **Federal Register** notice. OSHA invites the public to submit comments on this variance application to assist the Agency in determining whether to grant the companies a permanent variance based on the conditions specified in this application.

DATES: Submit comments and requests for a hearing (postmarked, sent, or received) by April 22, 2013.

ADDRESSES: *Electronic.* Submit comments and requests for a hearing electronically at <http://www.regulations.gov>, which is the Federal eRulemaking Portal. Follow the instructions online for submitting comments, and clearly indicate the docket number in the submission (OSHA-2012-0015).

Facsimile. OSHA allows facsimile transmission of comments that are 10 pages or fewer in length (including attachments), as well as hearing requests. Send these comments and requests to the OSHA Docket Office at (202) 693-1648; OSHA does not require hard copies of comments or hearing requests.

Instead of transmitting facsimile copies of attachments that supplement their comments (e.g., studies and journal articles), commenters may submit these attachments, in triplicate hard copy, to the OSHA Docket Office, Technical Data Center, Room N-2625, OSHA, U.S. Department of Labor, 200 Constitution Ave. NW., Washington, DC 20210. These attachments must clearly identify the sender's name, date, subject, and docket number (i.e., OSHA-2012-0015) so that the Agency can attach them to the appropriate comments.

Regular mail, express delivery, hand delivery, and messenger (courier) service. Submit comments and any additional material (e.g., studies and journal articles), as well as hearing requests, to the OSHA Docket Office, Docket No. OSHA-2012-0015, Technical Data Center, Room N-2625, OSHA, U.S. Department of Labor, 200 Constitution Ave. NW., Washington, DC 20210; telephone: (202) 693-2350 (OSHA's TTY number is (877) 889-5627). Contact the OSHA Docket Office for information about security procedures concerning the delivery of materials by express delivery, hand delivery, and messenger service. The hours of operation for the OSHA Docket Office and Department of Labor are 8:15 a.m. to 4:45 p.m., e.t.

Instructions. All submissions must include the Agency name and the OSHA

docket number (i.e., OSHA Docket No. OSHA-2012-0015). OSHA will place comments and other material, including any personal information, in the public docket without revision, and these comments and material will be available online at <http://www.regulations.gov>. Therefore, the Agency cautions commenters about submitting statements they do not want made available to the public, or submitting comments that contain personal information (either about themselves or others) such as Social Security numbers, birth dates, and medical data.

Docket. To read or download comments or other material in the docket, go to <http://www.regulations.gov> or to the OSHA Docket Office at the address above. The electronic docket for this variance application established at <http://www.regulations.gov> lists most of the documents in the docket; however, some information (e.g., copyrighted material) is not publicly available to read or download through this Web site.
