

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act of 1995, 44 U.S.C. 3501–3519 (PRA), the Surface Transportation Board (Board) gives notice that it is requesting from the Office of Management and Budget (OMB) approval of the information collection—Rail Depreciation Studies—further described below. The Board previously published a notice about this collection in the **Federal Register** on July 30, 2012, at 77 FR 44710. That notice allowed for a 60-day public review and comment period. No comments were received.

Comments may now be submitted to OMB concerning (1) whether this collection of information is necessary for the proper performance of the functions of the Board, including whether the collection has practical utility; (2) the accuracy of the Board's burden estimates; (3) ways to enhance the quality, utility, and clarity of the information collected; and (4) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology, when appropriate.

DATES: Written comments are due on April 26, 2013.

ADDRESSES: Written comments should be directed to the Office of Management and Budget, Office of Information and Regulatory Affairs, Attention: Patrick Fuchs, Surface Transportation Board Desk Officer, by fax at (202) 395–5167; by mail at OMB, Room 10235, 725 17th Street NW., Washington, DC 20500; or by email at *OIRA_SUBMISSION@OMB.EOP.GOV*. Comments should refer to the title of the collection commented upon.

FOR FURTHER INFORMATION CONTACT: For additional information, contact Paul Aguiar at (202) 245–0323 or *aguiarp@stb.dot.gov*. [Federal Information Relay Service (FIRS) for the hearing impaired: (800) 877–8339.]

Subjects: In this notice the Board is requesting comments on the following information collection:

Title: Rail Depreciation Studies.

OMB Control Number: 2140–XXXX.

Form Number: None.

Type of Review: Collection in existence without a Control Number.

Respondents: Class I railroads.

Number of Respondents: 7.

Estimated Time per Response:

Between 500 and 540 hours annually, depending on whether the rail-carrier respondent has significant assistance from outside consultants, resulting in an average of 515 hours per response.

Frequency of Response: Every 3 years for equipment; every 6 years for other depreciable property.

Total Annual Hour Burden: 3,605 hours (515 hours × 7 Class I railroads).

Total Annual “Non-Hour Burden”

Cost: Between \$8,340 and \$30,000 annually, depending on whether the rail-carrier respondent has significant assistance from outside consultants, resulting in an annual per railroad average of \$20,500 and a cumulative total for all 7 Class I railroads of \$143,500.

Needs and Uses: Under 49 U.S.C. 11143, the Board is required to identify those classes of property for which rail carriers may include depreciation charges under operating expenses, and the Board must also prescribe a rate of depreciation that may be charged to those classes of property. Pursuant to the Board's authority under § 11145 and 49 CFR Part 1201, Section 4–2(b), Class I (large) rail carriers are required to submit to the Board Depreciation Studies. Information in these studies is not available from any other source. The Board uses the information in these studies to prescribe depreciation rates. These depreciation-rate prescriptions state the period for which the depreciation rates therein are applicable. Class I railroads apply the prescribed depreciation rates to their investment base to determine monthly and annual depreciation expense. This expense is included in the railroads' operating expenses, which are reported in their R-1 reports (OMB Control Number 2140–0009). Operating expenses are used to develop operating costs for application in various proceedings before the Board, such as in rate reasonableness cases and in the determination of railroad revenue adequacy.

SUPPLEMENTARY INFORMATION: Under the PRA, a Federal agency conducting or sponsoring a collection of information must display a currently valid OMB control number. A collection of information, which is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c), includes agency requirements that persons submit reports, keep records, or provide information to the agency, third parties, or the public. Section 3507(b) of the PRA requires, concurrent with an agency's submitting a collection to OMB for approval, a 30-day notice and comment period through publication in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information.

Dated: March 21, 2013.

Clearance Clerk.

Nittany and Bald Eagle Railroad Company—Temporary Trackage Rights Exemption—Norfolk Southern Railway Company

Norfolk Southern Railway Company (NS), pursuant to a written trackage rights Agreement (Agreement), has agreed to grant non-exclusive, temporary, overhead trackage rights to Nittany and Bald Eagle Railroad Company (N&BE) over NS's line of railroad between milepost BR 194.2, at Lock Haven, PA, and milepost BR 139.2, at Driftwood, PA, a distance of 55 miles.¹

The transaction may be consummated on or after April 10, 2013, the effective date of the exemption (30 days after the verified notice of exemption was filed). The temporary trackage rights are scheduled to expire on or about December 30, 2013. The purpose of the temporary trackage rights is to allow N&BE to operate bridge train service for temporary, seasonal traffic.

As a condition to this exemption, any employees affected by the acquisition of the temporary trackage rights will be protected by the conditions imposed in *Norfolk & Western Railway—Trackage Rights—Burlington Northern, Inc.*, 354 I.C.C. 605 (1978), as modified in *Mendocino Coast Railway, Inc.—Lease & Operate—California Western Railroad*, 360 I.C.C. 653 (1980), and any employees affected by the discontinuance of those trackage rights will be protected by the conditions set out in *Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979).

This notice is filed under 49 CFR 1180.2(d)(8). If it contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d)

¹ A redacted version of the Agreement between NS and N&BE was filed with the notice of exemption. N&BE simultaneously filed a motion for protective order to protect the confidential and commercially sensitive information contained in the unredacted version of the Agreement, which N&BE submitted under seal in this proceeding. That motion will be addressed in a separate decision.

may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction. Petitions for stay must be filed no later than April 3, 2013 (at least 7 days before the exemption becomes effective).

An original and 10 copies of all pleadings, referring to Docket No. FD 35720, must be filed with the Surface Transportation Board, 395 E Street, SW., Washington, DC 20423–0001. This mandatory survey is conducted under the authority of the International Investment and Trade in Services Survey Act (22 U.S.C. 3101 et seq.) This Notice constitutes legal notification to all United States persons (defined below) who meet the reporting requirements set forth in this Notice that they must respond to, and comply with, this survey. Additional copies of the reporting forms SHLA (2013) and instructions may be printed from the Internet at: <http://www.treasury.gov/resource-center/data-chart-center/tic/Pages/forms-sh.aspx>.

including a government-sponsored agency), who resides in the United States or is subject to the jurisdiction of the United States.

Who Must Report: The panel for this survey is based primarily on the level of foreign resident holdings of U.S. securities reported on the June 2009 benchmark survey of foreign resident holdings of U.S. securities, and will consist mostly of the largest reporters on that survey. Entities required to report will be contacted individually by the Federal Reserve Bank of New York. Entities not contacted by the Federal Reserve Bank of New York have no reporting responsibilities.

What To Report: This report will collect information on foreign resident holdings of U.S. securities, including equities, short-term debt securities (including selected money market instruments), and long-term debt securities.

How To Report: Copies of the survey forms and instructions, which contain complete information on reporting procedures and definitions, may be obtained at the Web site address given above in the Summary, or by contacting the survey staff of the Federal Reserve Bank of New York at (212) 720–6300 or (646) 720–6300, email:
