Comments submitted in electronic form are not private. They will be posted on the site <http://www.regulations.gov>. Because the comments cannot be edited to remove any identifying or contact information, the Department of State cautions against including any information in an electronic submission that one does not want publicly disclosed (including trade secrets and commercial or financial information that is privileged or confidential pursuant to 19 U.S.C. 2605(i)(1)).

The Department of State requests that any party soliciting or aggregating comments received from other persons for submission to the Department of State inform those persons that the Department of State will not edit their comments to remove any identifying or contact information, and that they therefore should not include any information in their comments that they do not want publicly disclosed.

As noted above, portions of the meeting will be closed pursuant to 5 U.S.C. 552b(c)(9)(B) and 19 U.S.C. 2605(h), the latter of which stipulates that “The provisions of the Federal Advisory Committee Act shall apply to the Cultural Property Advisory Committee except that the requirements of subsections (a) and (b) of section 10 and 11 of such Act (relating to open meetings, public notice, public participation, and public availability of documents) shall not apply to the Committee, whenever and to the extent it is determined by the President or his designee that the disclosure of matters involved in the Committee’s proceedings would compromise the government’s negotiation objectives or bargaining positions on the negotiations of any agreement authorized by this title.” Pursuant to law, executive order, and delegation of authority, I have made such a determination.

Personal information regarding attendees is requested pursuant to Public Law 99–399 (Omnibus Diplomatic Security and Antiterrorism Act of 1986), as amended; Public Law 107–56 (USA PATRIOT Act); and Executive Order 13356. The purpose of the collection is to validate the identity of individuals who enter Department facilities. The data will be entered into the Visitor Access Control System (VACS–D) database. Please see the Security Records System of Records Notice (State-36) at <http://www.state.gov/documents/organization/103419.pdf> for additional information.

### Call for Expert Reviewers to the U.S. Government Review of the Working Group II Contribution to the Fifth Assessment Report of the Intergovernmental Panel on Climate Change (IPCC), *Impacts, Adaptation & Vulnerability*.

**SUMMARY:** The *United States Global Change Research Program*, in cooperation with the *Department of State*, request expert review of the Second Order Draft of the *Working Group II Contribution to the Fifth Assessment Report of the Intergovernmental Panel on Climate Change (IPCC), Impacts, Adaptation & Vulnerability*.

The *United Nations Environment Programme (UNEP)* and the *World Meteorological Organization (WMO)* established the IPCC in 1988. In accordance with its mandate and as reaffirmed in various decisions by the Panel, the major activity of the IPCC is to prepare comprehensive and up-to-date assessments of policy-relevant scientific, technical, and socio-economic information for understanding the scientific basis of climate change, potential impacts, and options for mitigation and adaptation. The IPCC develops a comprehensive assessment spanning all the above topics approximately every six years. The First Assessment Report was completed in 1990, the Second Assessment Report in 1995, the Third Assessment Report in 2001, and the Fourth Assessment in 2007.

Three working group volumes and a synthesis report comprise the Fifth Assessment Report. *Working Group I* assesses the scientific aspects of the climate system and climate change; *Working Group II* assesses the vulnerability of socio-economic and natural systems to climate change, potential negative and positive consequences, and options for adapting to it; and *Working Group III* assesses options for limiting greenhouse gas emissions and otherwise mitigating climate change. Procedures for the IPCC and its preparation of reports can be found at the following Web sites: [http://www.ipcc.ch/organization/organization\\_review.shtml#UEY0LqSe7x8](http://www.ipcc.ch/organization/organization_review.shtml#UEY0LqSe7x8) [http://ipcc.ch/organization/organization\\_procedures.shtml](http://ipcc.ch/organization/organization_procedures.shtml)

In October 2009, the IPCC approved the outline for the Working Group II contribution to the 5th Assessment Report (Working Group II Table of Contents: <http://www.ipcc-wg2.gov/>
