#### Note to All Employees

For general questions about the employment eligibility verification process, employees may call the USCIS National Customer Service Center at 800-375-5283 (TDD for the hearing impaired is at 800-767-1833); calls are accepted in English and Spanish. Employees or applicants may also call the OSC Worker Information Hotline at 800-255-7688 (TDD for the hearing impaired is at 800-237-2515) for information regarding employment discrimination based upon citizenship, immigration status, or national origin, or for information regarding discrimination related to Employment Eligibility Verification (Form I-9) and E-Verify. The OSC Worker Information Hotline provides language interpretation in numerous languages. In order to comply with the law, employers must accept any document or combination of documents acceptable for Employment Eligibility Verification (Form I-9) completion if the documentation reasonably appears to be genuine and to relate to the employee. Employers may not require extra or additional documentation beyond what is required for Employment Eligibility Verification (Form I-9) completion. Further, employers participating in E-verify who receive an E-verify initial mismatch ("tentative nonconfirmation" or "TNC") on employees must inform employees of the mismatch and give such employees an opportunity to challenge the mismatch. Employers are prohibited from taking adverse action against such employees based on the initial mismatch unless and until E-Verify returns a final nonconfirmation. For example, employers must allow employees challenging their mismatches to continue to work without any delay in start date or training and without any change in hours or pay while the final E-Verify determination remains pending. Additional information is available on the OSC Web site at <http://www.justice.gov/crt/about/osc> and the USCIS Web site at <http://www.dhs.gov/E-verify>.

#### Note Regarding Federal, State, and Local Government Agencies (Such as Departments of Motor Vehicles)

While Federal government agencies must follow the guidelines laid out by the Federal government, state and local government agencies establish their own rules and guidelines when granting certain benefits. Each state may have different laws, requirements, and determinations about what documents you need to provide to prove eligibility for certain benefits. Whether you are applying for a Federal, state, or local government benefit, you may need to provide the government agency with documents that show you are a TPS beneficiary and/or show you are authorized to work based on TPS. Examples are:

- (1) Your expired EAD that has been automatically extended, or your EAD that has a valid expiration date;
- (2) A copy of this **Federal Register** notice if your EAD is automatically extended under this notice;
- (3) A copy of your Application for Temporary Protected Status Receipt Notice (Form I-797) for this re-registration;
- (4) A copy of your past or current Application for Temporary Protected Status Approval Notice (Form I-797), if you receive one from USCIS; and/or
- (5) If there is an automatic extension of work authorization, a copy of the fact sheet from the USCIS TPS Web site that provides information on the automatic extension.

Check with the government agency regarding which document(s) the agency will accept. You may also provide the agency with a copy of this notice.

Some benefit-granting agencies use the USCIS Systematic Alien Verification for Entitlements Program (SAVE) to verify the current immigration status of applicants for public benefits. If such an agency has denied your application based solely or in part on a SAVE response, the agency must offer you the opportunity to appeal the decision in accordance with the agency's procedures. If the agency has received and acted upon or will act upon a SAVE verification and you do not believe the response is correct, you may make an InfoPass appointment for an in-person interview at a local USCIS office. Detailed information on how to make corrections, make an appointment, or submit a written request can be found at the SAVE Web site at <http://www.uscis.gov/save>, then by choosing "How to Correct Your Records" from the menu on the right.

#### Notice of Intent To Prepare an Environmental Impact Statement for the Proposed Bull Mountain Unit Master Development Plan, Gunnison County, CO

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of Intent.

**SUMMARY:** In compliance with the National Environmental Policy Act of 1969 (NEPA), as amended, and the Federal Land Policy and Management Act of 1976, as amended, the Bureau of Land Management (BLM) Uncompahgre Field Office, Montrose, Colorado, intends to prepare an Environmental Impact Statement (EIS) to analyze a Master Development Plan (MDP) that proposes to drill up to 150 wells within the Bull Mountain Unit (146 natural gas wells and 4 water disposal wells) and to construct associated access roads, pipelines and infrastructure.

**DATES:** The BLM held a public scoping period while preparing an Environmental Assessment (EA) for the 150-well Bull Mountain Unit MDP from September 21 to November 13, 2009. The preliminary EA was available for a 30-day public comment period from March 23 to April 23, 2012.

**SUPPLEMENTARY INFORMATION:** The proponent, SG Interests, Ltd., submitted

an MDP to the BLM for the Bull Mountain Unit. The Unit is located on approximately 19,645 acres of Federal and private subsurface mineral estate approximately 30 miles northeast of the Town of Paonia and bisected by State Highway 133. The proposal is to drill up to 146 natural gas wells and 4 water disposal wells, and develop associated pads, access roads, gas and water pipelines, screw compressors and overhead electric lines. This project was analyzed in a preliminary EA; the BLM determined it is necessary to prepare an EIS due to projected air quality impacts.

The project was initially scoped from October 29 to December 12, 2008, for 55 natural gas wells and 5 water disposal wells. The MDP proposal changed in September 2009 to include up to 146 natural gas wells and 4 water disposal wells. The BLM held a new public scoping period for the revised MDP from September 21 to November 13, 2009. The BLM released the preliminary EA for a 30-day public review and comment period on March 23, 2012.

While there will not be another formal scoping period, all previous comments from the public will be considered in the EIS. The BLM will continue to accept and consider public comments to guide the development of this EIS and the resulting decision. Written comments on the scope of alternatives and issues will be particularly helpful for the BLM. The BLM will provide additional opportunities for public participation upon publication of the Draft EIS

At present, the BLM has identified the following preliminary issues: Air quality; water quality and supply; threatened, endangered, and sensitive wildlife species; wildlife and wildlife habitat; recreation and visual resources; socio-economics; and transportation. The BLM will use NEPA public participation requirements to assist in satisfying the public involvement requirements under Section 106 of the National Historic Preservation Act (NHPA) (16 U.S.C. 470(f)) pursuant to 36 CFR 800.2(d)(3). The information about historic and cultural resources within the area potentially affected by the proposed Bull Mountain Unit MDP will assist the BLM in identifying and evaluating impacts to such resources in the context of both NEPA and Section 106 of the NHPA.

The BLM will consult with Indian tribes on a government-to-government basis in accordance with Executive Order 13175 and other policies. Tribal concerns, including impacts on Indian trust assets and potential impacts to cultural resources, will be given due consideration. Federal, State, and local

agencies, along with tribes and other stakeholders that may be interested in or affected by the proposed Bull Mountain Unit MDP may request or be requested by the BLM to participate in the development of the EIS as a cooperating agency.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
