

Reclamation is publishing this notice in order to allow the public to review the Plans and comment on the preliminary determinations. Public comment on Reclamation's preliminary (i.e., draft) determination of Plan adequacy is invited at this time.

**DATES:** All public comments must be received by May 10, 2013.

**ADDRESSES:** Please mail comments to Ms. Laurie Sharp, Bureau of Reclamation, 2800 Cottage Way, MP-410, Sacramento, California, 95825, or email at [lsharp@usbr.gov](mailto:lsharp@usbr.gov).

**SUPPLEMENTARY INFORMATION:** We are inviting the public to comment on our preliminary (i.e., draft) determination of Plan adequacy. Section 3405(e) of the Central Valley Project Improvement Act (Title 34 Pub. L. 102-575), requires the Secretary of the Interior to establish and administer an office on Central Valley Project water conservation best management practices that shall "develop criteria for evaluating the adequacy of all water conservation plans developed by project contractors, including those plans required by section 210 of the Reclamation Reform Act of 1982." Also, according to Section 3405(e)(1), these criteria must be developed "with the purpose of promoting the highest level of water use efficiency reasonably achievable by project contractors using best available cost-effective technology and best management practices." These criteria state that all parties (Contractors) that contract with Reclamation for water supplies (municipal and industrial contracts over 2,000 acre-feet and agricultural contracts over 2,000 irrigable acres) must prepare a Plan that contains the following information:

1. Description of the District;
2. Inventory of Water Resources;
3. Best Management Practices (BMPs) for Agricultural Contractors;
4. BMPs for Urban Contractors;
5. Plan Implementation;
6. Exemption Process;
7. Regional Criteria; and
8. Five-Year Revisions.

Reclamation evaluates Plans based on these criteria. A copy of these Plans will be available for review at Reclamation's Mid-Pacific Regional Office, 2800 Cottage Way, MP-410, Sacramento, California, 95825. Our practice is to make comments, including names and home addresses of respondents, available for public review. If you wish

to review a copy of these Plans, please contact Ms. Sharp.
