### Background Information

The GSP program is authorized by Title V of the Trade Act of 1974 (19 U.S.C. 2461, *et seq.*), as amended. It provides for duty free treatment of designated articles imported from any country that the President designates as a GSP “beneficiary developing country.” Additional trade benefits under the GSP are available to any country that the President also designates as a GSP “least-developed beneficiary developing country.” In designating countries as GSP beneficiary developing countries, the President must consider the criteria in sections 502(b)(2) and 502(c) of the Trade Act of 1974, as amended (19 U.S.C. 2462(b)(2), 2462(c)) (“the Act”), including definitions found in section 507 of the Act (19 U.S.C. 2467). When determining whether to designate a country as a least-developed beneficiary developing country, the President must consider the factors in sections 501 and 502(c) of the Act (19 U.S.C. 2461, 2462(c)). The relevant GSP provisions are available on the USTR Web site at: <http://www.ustr.gov/trade-topics/trade-development/preference-programs/generalized-system-preference-gsp/gsp-program-inf>.

Burma was previously designated a beneficiary developing country under GSP but its trade benefits under GSP were suspended, effective July 1, 1989, as a result of a presidential determination that the country was not meeting the statutory GSP eligibility requirements regarding internationally recognized worker rights. Laos has not previously been considered for eligibility for GSP trade benefits. The governments of Burma and Laos, respectively, have each recently informed USTR of their interest in being considered for designation as eligible for GSP trade benefits.

### Notice of Public Hearing

A hearing will be held by the GSP Subcommittee of the TPSC on Tuesday, June 4, 2013, beginning at 9:00 a.m., to receive information regarding the eligibility for GSP trade benefits of Burma and Laos. The hearing will be held at 1724 F Street NW., Washington, DC 20508 and will be open to the public

and to the press. A transcript of the hearing will be made available on <http://www.regulations.gov> within approximately two weeks of the hearing.

All interested parties wishing to make an oral presentation at the hearing must submit, following the “Requirements for Submissions” set out below, the name, address, telephone number, and email address, if available, of the witness(es) representing their organization by 5 p.m., May 17, 2013. Requests to present oral testimony must be accompanied by a written brief or summary statement, in English, and also must be received by 5 p.m., May 17, 2013. Oral testimony before the GSP Subcommittee will be limited to five-minute presentations that summarize or supplement information contained in briefs or statements submitted for the record. Post-hearing briefs or statements will be accepted if they conform with the requirements set out below and are submitted, in English, by 5 p.m., June 25, 2013. Parties not wishing to appear at the public hearing may submit pre-hearing and post-hearing briefs or comments by the aforementioned deadlines.

The GSP Subcommittee strongly encourages submission of all post-hearing briefs or statements by the June 25, 2013 deadline in order to receive timely consideration in the GSP Subcommittee’s review of GSP eligibility of Burma and Laos. However, if there are new developments or information that parties wish to share with the GSP Subcommittee after this date, the [regulations.gov](http://www.regulations.gov) dockets will remain open until a final decision is made. Comments, letters, or other submissions related to the relevant country’s eligibility review must be posted to the appropriate country-specific <http://www.regulations.gov> docket in order to be considered by the GSP Subcommittee.

The GSP Subcommittee prefers that submissions be provided in an attached document. At the beginning of the submission, or on the first page (if an attachment), please note that the submission is in response to this **Federal Register** notice and provides comments on the possible designation of Burma or Laos as a beneficiary developing country or least-developed country beneficiary developing country for purposes of the GSP program. Submissions should not exceed 30 single-spaced, standard letter-size pages in 12-point type, including attachments. Any data attachments to the submission should be included in the same file as the submission itself, and not as separate files.

The submission must be marked “BUSINESS CONFIDENTIAL” at the top and bottom of the cover page and each succeeding page, and the submission should

indicate, via brackets, the specific information that is confidential. Additionally, "Business Confidential" must be included in the "Type Comment" field. The non-confidential version will be placed in the docket and open to public inspection.
