The closed portion of each meeting involves discussion, examination, reference to staff and consultant critiques of research proposals. During this portion of each meeting, discussions will deal with scientific merit of each proposal and qualifications of personnel conducting the studies, the disclosure of which

would constitute a clearly unwarranted invasion of personal privacy, as well as research information, the premature disclosure of which could significantly frustrate implementation of proposed agency action regarding such research proposals. As provided by subsection 10(d) of Public Law 92-463, as amended, closing portions of these panel meetings is in accordance with title 5 U.S.C., 552b(c) (6) and (9)(B).
