

the proposed rule change will not impose an unnecessary burden on intermarket competition because no substantive changes were made to the Fees Schedule and because this Fees Schedule only applies to Exchange fees. To the extent that the newly-cleaned-up Fees Schedule may be attractive to market participants on other exchanges, such market participants may always elect to become CBOE market participants.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-69424; File No. SR-FICC-2013-01]

Self-Regulatory Organizations; Fixed Income Clearing Corporation; Notice of Filing of Proposed Rule Change Amending the Mortgage-Backed Securities Division Fails Charge Rule To Reflect Recommendation of the Treasury Market Practice Group

April 22, 2013.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,²

notice is hereby given that on April 12, 2013, the Fixed Income Clearing Corporation ("FICC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by FICC. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The purpose of the proposed rule change is to amend the existing fails charge rule in FICC's Mortgage-Backed Securities Division ("MBSD") Clearing Rules in order to reflect the recent recommendation from the Treasury Market Practices Group ("TMPG") relating to the removal of the resolution period for fails charges.³

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FICC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FICC has prepared summaries, set forth in section (A), (B) and (C) below, of the most significant aspects of such statements.⁴

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

To address the persistent settlement fails in agency debt and mortgage-backed securities ("MBS") transactions and to encourage market participants to resolve such fails promptly, the TMPG recommended in February 2012 that the MBS market impose a fails charge in an effort to reduce the incidence of delivery failures and support liquidity in the markets.⁵ MBSD amended Rule 12 (Fails Charges) of MBSD's Clearing Rules in March 2012 to reflect TMPG's

³ The text of the proposed rule change is provided as Exhibit 5 to this filing and is available at www.dtcc.com/downloads/legal/rule_filings/2013/ficc/SR_FICC_2013_01.pdf.

⁴ The Commission has modified the text of the summaries prepared by FICC.

⁵ The TMPG is a group of market participants active in the treasury securities market sponsored by the Federal Reserve Bank of New York.

recommendations.⁶ The fails charge for MBS transactions applies to certain trades settled in the MBSD central counterparty (“CCP”) (i.e., settlement of pools versus FICC involving failing agency MBS issued or guaranteed by Fannie Mae, Freddie Mac and Ginnie Mae.) Consistent with the TMPG’s initial recommendation, MBSD’s Rule 12 does not currently impose a fails charge if delivery occurs on either of the two business days following the contractual settlement date. The two business days are sometimes referred to as the “resolution period.”

However, on March 1, 2013, the TMPG issued a new recommendation to remove the two-day resolution period from the current practice.⁷ The TMPG has advised that the revised recommendation should apply to transactions in agency MBS transactions entered into on or after July 1, 2013, as well as to transactions that were entered into prior to but remain unsettled as of July 1, 2013.

The purpose of this proposed rule change is to amend the existing fails charge rule to reflect TMPG’s most recent recommendation. In order to maintain symmetry with the MBS marketplace, FICC is now proposing to amend MBSD’s Rule 12 in order to remove the two-day resolution period provision from the rule. Consequently, an agency MBS settlement fail will be subject to a fails charge for each calendar day that the fail is outstanding, even if the delivery occurs on either of the first two business days following the contractual settlement date. FICC is also proposing that the proposed rule change will be effective as of July 1, 2013, in accordance with the TMPG’s recommendation. All other provisions of the agency MBS fails charge rule, including the fails charge rate and trading practices, remain unchanged.

FICC believes the proposed rule change is consistent with Section 17A of the Act and the rules and regulations thereunder because it would facilitate the prompt and accurate clearance and settlement of securities transactions by discouraging persistent fails of agency MBS transactions in the marketplace.

(B) Self-Regulatory Organization’s Statement on Burden on Competition

FICC does not believe that the proposed rule change will have any

impact or impose any burden on competition.

(C) Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments relating to the proposed rule changes have not been solicited or received. FICC will notify the Commission of any written comments received by FICC.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

- (A) By order approve or disapprove the proposed rule change, or
- (B) institute proceedings to determine whether the proposed rule change should be disapproved.
