From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Regulation A (Forms 1-A and 2-A); OMB Control No. 3235-0286, SEC File No. 270-110.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Regulation A (17 CFR 230.251 through 230.263) provides an exemption from registration under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) for certain limited offerings of securities by issuers who do not otherwise file reports with the Commission. Form 1-A is an offering statement filed under Regulation A. Form 2-A is filed to report the sale of securities in a Regulation A offering and the use of the proceeds raised in the offering. The

paperwork burden from Regulation A is imposed through the forms that are subject to the disclosure requirements in Regulation A and is reflected in the analysis of these forms. To avoid a Paperwork Reduction Act inventory reflecting duplicative burdens, for administrative convenience we estimate the burden imposed by Regulation A to be a total of one hour. We estimate that approximately 100 issuers file Forms 1-A and 2-A annually. We estimate that Form 1-A takes approximately 608 hours to prepare, Form 2-A takes approximately 12 hours to prepare for a total 621 hours per response (including the one hour for Regulation A). We estimate that 75% of the 621 hours per response (465.75 hours) is prepared by the company for a total annual burden of 46,575 hours (465.75 hours per response × 100 responses).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Please direct your written comments to Thomas Bayer, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 6432 General Green Way, Alexandria, Virginia 22312; or send an email to: PRA_Mailbox@sec.gov.
