Or

Richard Katz, Senior Counsel, Office of the General Counsel, Farm Credit Administration, McLean, VA 22102-5090, (703) 883-4020, TTY (703) 883-4020.

SUPPLEMENTARY INFORMATION: On November 18, 2011, we published a notice of proposed rulemaking to revise Farmer Mac's non-program investment and liquidity requirements.¹ The 60-day

comment period ended on January 17, 2012. The proposed rulemaking covered several topics. The FCA decided to finalize several of the proposed regulations separately in different phases of this rulemaking.² This phase of the rulemaking focuses on Farmer Mac's liquidity by addressing four definitions in § 652.5,³ liquidity management in § 652.35, and the liquidity reserve and the supplemental liquidity buffer in § 652.40.

We received a letter dated April 17, 2013 from Farmer Mac that asked us to reopen the comment period for 30 days on proposed § 652.40. Farmer Mac informed us that after the final investment management rule became effective, it "commenced an evaluation and rebalancing of its investment portfolio in the context of the proposed liquidity requirements" set forth in proposed § 652.40. Farmer Mac believes that this evaluation process exposed possible concerns regarding the liquidity requirements in the proposed regulation, which in its opinion, may merit further consideration by the FCA before a final rule is enacted.

In response to this request, we are reopening the comment period for all of the above-referenced liquidity regulations for an additional 30 days. Based on the circumstances that Farmer Mac identified in its April 17, 2013 letter, reopening the comment period ensures the transparency and fairness of the rulemaking process in accordance with the requirements of the Administrative Procedure Act. In addition, because the proposed rule would increase Farmer Mac's minimum liquidity reserve requirement from 60 days to 90 days, FCA believes it is important to receive thorough comment on the impact of the proposal. The FCA invites all interested parties to provide additional comments about proposed §§ 652.35 and 652.40, and the four liquidity-related definitions in proposed § 652.5.

Dated: May 1, 2013.

Dale L. Aultman,

Secretary, Farm Credit Administration Board.

² On November 5, 2012, the FCA enacted final regulations governing investment management at Farmer Mac. This final rule amended §§ 652.10, 652.15, 652.25, 652.30, and 652.45. See 77 FR 66375. In a later phase of this rulemaking, we plan to enact a final rule pertaining to eligible investments that Farmer Mac may purchase and hold.

³ The four definitions pertaining to liquidity are "Cash," "Contingency Funding Plan," "Liquidity Maturity Management Plan," and "Liquidity reserve."
