

discriminatory because the Exchange is uniformly applying the waiver to all RSQTOs impacted by the proposal who are current members of the Exchange. All other market participants would not be affected by the rule change as it applies specifically to remote market makers. Further, new RSQTOs to the Exchange should pay Application and Initiation Fees similar to current RSQTOs that incurred those fees at the time of application.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange is waiving the fees associated with complying with Rule 507(a) during the Conversion Period for RSQTOs that would be impacted and incur fees not borne by other Exchange members. The Exchange does not believe that the waiver creates an undue burden on competition, rather the waiver attempts to equalize the treatment of its members in not imposing higher costs on market making firms.

The Exchange operates in a highly competitive market, comprised of eleven exchanges, in which market participants can easily and readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive. Accordingly, the fees that are assessed are influenced by robust market forces and therefore must remain competitive with fees charged and rebates paid by other venues and therefore must continue to be reasonable and equitably allocated to those members that opt to direct orders to the Exchange rather than competing venues.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.¹⁵ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors,

or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

¹⁶ 17 CFR 200.30-3(a)(12).

beneficiaries and Supplemental Security Income (SSI) recipients who wish to return to work and achieve self-sufficiency, SSA established the Work Incentives Planning and Assistance (WIPA) program. This community-based, work incentive, planning and assistance project collects identifying claimant information via project sites and community work incentives coordinators (CWIC). SSA uses this

information to ensure proper management of the project, with particular emphasis on administration, budgeting, and training. In addition, project sites and CWICs collect data from SSDI beneficiaries and SSI recipients on background employment, training, benefits, and work incentives. SSA is interested in identifying SSDI beneficiary and SSI recipient outcomes under the WIPA program to determine

the extent to which beneficiaries with disabilities and SSI recipients achieve their employment, financial, and health-care goals. SSA will also use the data in its analysis and future planning for SSDI and SSI programs. Respondents are SSDI beneficiaries, SSI recipients, community project sites, and employment advisors.

Type of Request: Revision of an OMB-approved information collection.

SSDI and SSI Recipients	40,000	1	30	20,000

2. Request to Withdraw a Hearing Request; Request to Withdraw an Appeals Council Request for Review; and Administrative Review Process for Adjudicating Initial Disability Claims—20 CFR Parts 404, 405, and 416—0960–0710. Claimants have a statutory right under the Social Security Act and current regulations to apply for SSDI benefits or SSI. SSA must collect information at each step of the

administrative process to adjudicate claims fairly and efficiently. SSA collects this information to establish a claimant’s right to administrative review and the severity of the claimant’s alleged impairments. SSA uses the information to determine entitlement or continuing eligibility to disability insurance benefits or SSI payments and to enable appeals of these determinations. In addition, SSA

collects information on Forms HA–85 and HA–86 to allow claimants to withdraw a hearing request or an Appeals Council review request. The respondents are applicants for title II disability insurance benefits or title XVI SSI.
