

and liquidity in the market for SPY and SPY options should mitigate the market fragmentation and price protection concerns that commenters raised.⁵³ Moreover, the Commission notes that the proposal is limited to jumbo options on SPY and in order to expand the trading of jumbo options beyond those overlying SPY, BOX would be required to file new proposed rule changes with the Commission pursuant to Section 19(b) of the Act.⁵⁴ Proposals to expand jumbo options to cover other underlying securities that do not exhibit the depth and liquidity of the SPY and SPY options markets potentially could give rise to concern. Finally, the Commission expects BOX to monitor the trading of Jumbo SPY Options to evaluate whether any issues develop.

As a national securities exchange, the Exchange is required, under Section 6(b)(1) of the Act,⁵⁵ to enforce compliance by its members and persons associated with its members with the provisions of the Act, Commission rules and regulations thereunder, and its own rules. In this regard, the Commission notes that the Exchange's rules that apply to the trading of standard options would apply to Jumbo SPY Options. The Commission also notes that the Exchange's existing market maker quoting obligations would apply to Jumbo SPY Options.⁵⁶ In addition, the Commission notes that intermarket trade-through protection would apply to Jumbo SPY Options to the extent that they are traded on more than one market.

IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁵⁷ that the proposed rule change (SR-BOX-2013-06) be, and hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁵⁸

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-69510; File No. SR-EDGX-2013-15]

Self-Regulatory Organizations; EDGX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Amendments to the EDGX Exchange, Inc. Fee Schedule

May 3, 2013.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on May 1, 2013, EDGX Exchange, Inc. (the "Exchange" or "EDGX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its fees and rebates applicable to Members³ of the Exchange pursuant to EDGX Rule 15.1(a) and (c). All of the changes described herein are applicable to EDGX Members. The text of the proposed rule change is available on the Exchange's Internet Web site at www.directedge.com, at the Exchange's principal office, and at the Public Reference Room of the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

In securities priced at or above \$1.00, the Exchange currently provides a rebate of \$0.0002 per share for Members' orders that yield Flag BY, which routes to BATS BYX ("BYX") and removes liquidity using routing strategies ROUC, ROUE, or ROBY.⁴ The Exchange proposes to amend its fee schedule to assess no charge ("free") nor provide any rebate for Members' orders that yield Flag BY. When Direct Edge ECN LLC (d/b/a DE Route) ("DE Route"), the Exchange's affiliated routing broker-dealer, routes to BYX, it is rebated \$0.0005 per share for adding an average daily volume of 50,000 shares per day on BYX.⁵ However, DE Route will pass through the non-tiered rate on BYX (no fee nor rebate) to the Exchange and the Exchange, in turn, will pass through no fee nor rebate to its Members.⁶

In securities priced at \$1.00 or above, the Exchange currently assesses a charge of \$0.0005 per share for Members' orders that yield Flag RY, which routes to BYX and adds liquidity. The Exchange proposes to amend its fee schedule to increase the rate it charges Members from \$0.0005 per share to \$0.0007 per share for Flag RY. The proposed change represents a pass through of the rate that DE Route is charged for routing orders to BYX that do not qualify for additional volume tiered discounts.⁷ DE Route passes through the charge to the Exchange and the Exchange, in turn, passes through the charge to its Members. The Exchange notes that the proposed change is in response to BYX's April 2013 fee filing with the Commission, wherein BYX increased the rate it charges its customers, such as DE Route, from a charge of \$0.0005 per share to a charge of \$0.0007 per share for orders

⁴ As defined in Exchange Rule 11.9(b)(2).

⁵ See Securities Exchange Act Release No. 69317 (April 5, 2013), 78 FR 21651 (April 11, 2013) (SR-BYX-2013-012) (amending the rebate BYX provides for removing liquidity from the BYX order book for executions by members that add a daily average volume of at least 50,000 shares from \$0.0002 per share to \$0.0005 per share).

⁶ The Exchange notes that to the extent DE Route does or does not achieve any volume tiered rebate on BYX, its rate for Flag BY will not change. See BYX Fee Schedule, http://cdn.batstrading.com/resources/regulation/rule_book/BATS-Exchanges_Fee_Schedules.pdf (offering no rebate to remove liquidity from BYX for executions by its members that do not qualify for an enhanced rebate).

⁷ The Exchange notes that to the extent DE Route does or does not achieve any volume tiered rebate on BYX, its rate for Flag RY will not change.

that are routed to BYX and add liquidity.⁸

The Exchange proposes to implement these amendments to its fee schedule on May 1, 2013.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the objectives of Section 6 of the Act,⁹ in general, and furthers the objectives of Section 6(b)(4),¹⁰ in particular, as it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its Members and other persons using its facilities.

The Exchange believes that its proposal to decrease the rebate for Flag BY and pass through no charge nor rebate for Members' orders that yield Flag BY represents an equitable allocation of reasonable dues, fees and other charges among its Members and other persons using its facilities. First, the elimination of the rebate allows the Exchange to have additional revenue to offset its administrative, operational, and infrastructure costs. Second, the proposed rate (free) is competitive as it is in line with the non-tiered rebates for adding liquidity to BYX. When DE Route, the Exchange's affiliated routing broker-dealer, routes to BYX, it is rebated \$0.0005 per share provided it adds an average daily volume of 50,000 shares per day on BYX. However, when DE Route does not meet such volume threshold on BYX, it is assessed no fee nor rebate (free). The proposed rate (free)¹¹ represents a rate that matches the non-tiered rate provided by BYX. The rate is also in line with what BATS Exchange, Inc. ("BZX") rebates for routing to BYX.¹² Lastly, the Exchange also believes that the proposed amendment is non-discriminatory because it applies uniformly to all Members.

⁸ See Securities Exchange Act Release No. 69317 (April 5, 2013), 78 FR 21651 (April 11, 2013) (SR-BYX-2013-012) (amending the rate BYX charges for adding displayed liquidity to the BYX order book for executions by members that do not qualify for a reduced charge from \$0.0005 per share to \$0.0007 per share).

⁹ 15 U.S.C. 78f.

¹⁰ 15 U.S.C. 78f(b)(4).

¹¹ See BYX Fee Schedule, http://cdn.batstrading.com/resources/regulation/rule_book/BATS-Exchanges_Fee_Schedules.pdf (offering no rebate to remove liquidity from BYX for executions by its members that do not qualify for an enhanced rebate).

¹² For example, when orders using BZX's TRIM/TRIM2/TRIM3 routing strategies execute at BYX Exchange, a rebate of \$0.0002 per share is provided. This is a rate that is in between the tiered rebate of \$0.0005 per share and non-tiered rate (free) from BYX. See BATS BZX Fee Schedule, http://cdn.batstrading.com/resources/regulation/rule_book/BATS-Exchanges_Fee_Schedules.pdf.

The Exchange believes that its proposal to pass through a charge of \$0.0007 for Members' orders that yield Flag RY represents an equitable allocation of reasonable dues, fees, and other charges among Members of the Exchange and other persons using its facilities because the Exchange does not levy additional fees or offer additional rebates for orders that it routes to BYX through DE Route. Prior to BYX's April 2013 fee filing, BYX charged DE Route a fee of \$ 0.0005 per share for orders yielding Flag RY, which DE Route passed through to the Exchange and the Exchange passed through to its Members. In BYX's April 2013 fee filing, BYX increased the rate it charges its customers, such as DE Route, from \$0.0005 per share to a charge of \$0.0007 per share for orders that are routed to BYX and add liquidity. Therefore, the Exchange believes that the proposed change in Flag RY from a fee of \$0.0005 per share to a fee of \$0.0007 per share is equitable and reasonable because it accounts for the pricing changes on BYX. In addition, the proposal allows the Exchange to continue to charge its Members a pass-through rate for orders that are routed to BYX and add liquidity using DE Route. The Exchange notes that routing through DE Route is voluntary. Lastly, the Exchange also believes that the proposed amendment is non-discriminatory because it applies uniformly to all Members.

B. Self-Regulatory Organization's Statement on Burden on Competition

These proposed rule changes do not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe that any of these changes represent a significant departure from previous pricing offered by the Exchange or pricing offered by any of the Exchange's competitors. Additionally, Members may opt to disfavor the Exchange's pricing if they believe that alternatives offer them better value. Accordingly, the Exchange believes that the proposed changes would not impair the ability of Members or competing venues to maintain their competitive standing in the financial markets.

The Exchange believes that its proposal to pass through no charge nor rebate for Members' orders that yield Flag BY would not burden intermarket competition because the proposed rate is in line with BYX's non-tiered rate and rates for routing to BYX from BZX. Additionally, for customers that do not have sufficient volume to satisfy BYX's tier, Flag BY offers customers an alternative means to route to BYX and

remove liquidity for the same price as entering orders on BYX directly. The Exchange believes its proposal would not burden intramarket competition because the proposed rate would apply uniformly to all Members.

The Exchange believes that its proposal to pass through a charge of \$0.0007 per share for Members' orders that yield Flag RY would increase intermarket competition because it offers customers an alternative means to route to BYX and add liquidity for the same price as entering orders on BYX directly. The Exchange believes that its proposal would not burden intramarket competition because the proposed rate would apply uniformly to all Members.

The Exchange believes that its proposal would increase competition for routing services because the market for order execution is competitive and the Exchange's proposal provides customers with another alternative to route their orders. The Exchange notes that routing through DE Route is voluntary.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from Members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹³ and Rule 19b-4(f)(2)¹⁴ thereunder. At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
