BILLING CODE 6335-01-P

DEPARTMENT OF COMMERCE**Submission for OMB Review; Comment Request**

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Survey of Shore-based Non-Commercial Fishing on St. Croix, U.S. Virgin Islands.

OMB Control Number: None.

Form Number(s): NA.

Type of Request: Regular submission (request for a new information collection).

Number of Respondents: 915.

Average Hours Per Response: 10 minutes.

Burden Hours: 153.

Needs and Uses: This request is for a new information collection to benefit local fishery managers in the U.S. Virgin Islands (USVI). Non-commercial fishing is an important activity on St. Croix, USVI, yet robust data characterizing the catch, effort and cultural attributes of such fishing are limited. Without these basic data on the non-commercial fishery on St. Croix, it is not possible to develop required fishery management plans. Consequently, local fishery managers have asked for collection of information required to make management decisions, information that will help them to balance the need for more effective fishery management with social, economic and cultural imperatives of the region.

Researchers propose to conduct two distinct data collection efforts, a survey of non-commercial, shore-based fishers. This survey will ascertain the catch, effort, and socioeconomic characteristics of fishers using this mode of fishing on St. Croix. A survey of boat-based, non-commercial fishers on St. Croix to document levels of catch and effort will be submitted separately.

The data gathered will be used to describe recreational and subsistence sectors in St. Croix, and evaluate the socio-economic impacts of federal regulatory actions. In addition, the information will be used to strengthen

and improve fishery management decision-making, satisfy legal mandates under Executive Order 12866, the Magnuson Stevens Fishery Conservation and Management Act (U.S.C. 1801 et seq.), the Regulatory Flexibility Act, the Endangered Species Act, and the National Environmental Policy Act, and other pertinent statutes.

Affected Public: Individuals or households.

Frequency: One time.

Respondent's Obligation: Voluntary.

OMB Desk Officer:

OIRA_Submission@omb.eop.gov.

Copies of the above information collection proposal can be obtained by calling or writing Jennifer Jessup, Departmental Paperwork Clearance Officer, (202) 482-0336, Department of Commerce, Room 6616, 14th and Constitution Avenue NW, Washington, DC 20230 (or via the Internet at *Jessup@doc.gov*).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to

OIRA_Submission@omb.eop.gov.

Dated: May 9, 2013.

Foreign-Trade Zones Board

[B-42-2013]

Foreign-Trade Zone (FTZ) 134—Chattanooga, Tennessee; Notification of Proposed Production Activity; Komatsu America Corporation (Construction and Forestry Equipment Production); Chattanooga, Tennessee

The Chattanooga Area Chamber of Commerce, grantee of FTZ 134, submitted a notification of proposed production activity to the FTZ Board on behalf of Komatsu America Corporation (Komatsu), for its facility located in Chattanooga, Tennessee. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on May 6, 2013.

The Komatsu facility is located within Site 14 of FTZ 134 (S-38-2013, 4-2-2013). The facility is used for the production of construction and forestry equipment. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products listed in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Komatsu from customs duty payments on the foreign status components used in export production (an estimated five percent of production). On its domestic sales, Komatsu would be able to choose the duty rates during customs entry procedures that apply to hydraulic excavators; bulldozers; wheel loaders; dump trucks; forklifts; forestry harvesters, feller bunchers and forwarders; and, parts of excavators and forestry equipment (duty rates range from duty-free to 25%) for the foreign status inputs noted below. Customs duties also could possibly be deferred or reduced on foreign status production equipment.

The components and materials sourced from abroad include: cleaning agents; glues; adhesives; adhesive plates; O-rings; rubber bolts/rods; hoses/tubes (including reinforced); floor mats; gaskets/washers/seals; rubber caps; glass; mirrors; insulating covers; tubes/pipes; elbows; nipples; fuel tanks;

joints; nuts; washers; rivets; cotter pins; indicators; springs; supports; clamps; pipes; brackets; engines; engine blocks; engine plugs; engine cylinders; motors; pump assemblies; parts of pumps; fan parts; bands; filter assemblies; air cleaner assemblies; connectors; arm assemblies; plastic shrouds; accumulators; accumulator parts; valves; breathers; ball bearings; bearings; bearing flanges; bushings; swing circles; pulleys; idlers and parts; gaskets; washers; alternators; cameras; monitors; horns; fuses; electrical connectors; switch sensors; lamps; wiring harnesses; electrical cables; bumpers and parts; supports; exhaust tubes; steering wheels; guides; sensors; plugs; and timer switches (duty rate ranges from duty-free to 8.6%). The request indicates that certain bearings and bearing flanges may be subject to antidumping/countervailing duty (AD/CVD) orders. The FTZ Board's regulations (15 CFR 400.14(e)) require that merchandise subject to AD/CVD actions be admitted to the zone in privileged foreign status (19 CFR 146.41).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is June 24, 2013.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via www.trade.gov/ftz.

For further information, contact Diane Finver at *Diane.Finver@trade.gov* (202) 482-1367.

Dated: May 7, 2013.
