

certification criteria are currently available to meet the priority area;

(2) an assessment of where gaps exist (*i.e.*, no standard is available or harmonization is required because more than one standard exists) and identify potential organizations that have the capability to address those gaps; and

(3) a timeline, which may also account for NIST testing, where appropriate, and include dates when the HIT Standards Committee is expected to issue recommendation(s) to the National Coordinator.

(B) Upon receipt of a report from a workgroup or other special group, the HIT Standards Committee will:

(1) accept the timeline provided by the subcommittee, and, if necessary, revise it; and

(2) assign subcommittee(s) to conduct research and solicit testimony, where appropriate, and issue recommendations to the full committee in a timely manner.

(C) Advise the National Coordinator, consistent with the accepted timeline in (B)(1) and after NIST testing, where appropriate, on standards, implementation specifications, and/or certification criteria, for the National Coordinator's review and determination whether or not to endorse the recommendations, and possible adoption of the proposed recommendations by the Secretary of the Department of Health and Human Services.

The standards and related topics which the HIT Standards Committee is expected to address over the coming year include, but may not be limited to standards to support: Transport of data to and from patients, image exchange, current content gaps, securing data at rest, digital signature, longitudinal record sharing, advanced care preferences, application programming interfaces, measuring and reporting quality, clinical decision support, defect reporting and registry support.

HIT Standards Committee Advisory Meeting

AGENCY: Office of the National Coordinator for Health Information Technology, HHS.

ACTION: Notice of meeting.

This notice announces a forthcoming meeting of a public advisory committee of the Office of the National Coordinator for Health Information Technology (ONC). The meeting will be open to the public.

Name of Committee: HIT Standards Committee.

General Function of the Committee: To provide recommendations to the National Coordinator on standards, implementation specifications, and certification criteria for the electronic exchange and use of health information for purposes of adoption, consistent with the implementation of the Federal Health IT Strategic Plan, and in accordance with policies developed by the HIT Policy Committee.

Date and Time: The meeting will be held on June 19, 2013, from 9:00 a.m. to 3:00 p.m. Eastern Time. This is a change from the previously announced date of June 20, 2013.

Location: TBD. For up-to-date information, go to the ONC Web site, <http://healthit.gov>.

Contact Person: MacKenzie Robertson, Office of the National Coordinator, HHS, 355 E Street SW., Washington, DC 20201, 202-205-8089, Fax: 202-260-1276, email: mackenzie.robertson@hhs.gov. Please call the contact person for up-to-date information on this meeting. A notice in the **Federal Register** about last minute modifications that impact a previously announced advisory committee meeting cannot always be published quickly enough to provide timely notice.

Agenda: The committee will hear reports from its workgroups and updates from ONC and other Federal agencies. ONC intends to make background material available to the public no later than two (2) business days prior to the meeting. If ONC is unable to post the background material on its Web site prior to the meeting, it will be made publicly available at the location of the advisory committee meeting, and the background material will be posted on ONC's Web site after the meeting, at <http://healthit.gov>.

Procedure: ONC is committed to the orderly conduct of its advisory committee meetings. Interested persons may present data, information, or views,

orally or in writing, on issues pending before the Committee. Written submissions may be made to the contact person on or before two days prior to the Committee's meeting date. Oral comments from the public will be scheduled in the agenda. Time allotted for each presentation will be limited to three minutes. If the number of speakers requesting to comment is greater than can be reasonably accommodated during the scheduled public comment period, ONC will take written comments after the meeting until close of business on that day.

Persons attending ONC's advisory committee meetings are advised that the agency is not responsible for providing access to electrical outlets.

ONC welcomes the attendance of the public at its advisory committee meetings. Seating is limited at the location, and ONC will make every effort to accommodate persons with physical disabilities or special needs. If you require special accommodations due to a disability, please contact MacKenzie Robertson at least seven (7) days in advance of the meeting.

Notice of this meeting is given under the Federal Advisory Committee Act (Pub. L. 92-463, 5 U.S.C., App. 2).

Dated: May 10, 2013.

MacKenzie Robertson,

FACA Program Lead, Office of Policy and Planning, Office of the National Coordinator for Health Information Technology.
