SUPPLEMENTARY INFORMATION: The NRC published a final rule in the **Federal Register** on May 20, 2013 (78 FR 29519) (RIN 3150-AI64), that amended its security regulations for the transport of irradiated reactor fuel at § 73.37 of Title 10 of the *Code of Federal Regulations*

(10 CFR), “Requirements for Physical Protection of Irradiated Reactor Fuel in Transit,” and added a new § 73.38, “Personnel Access Authorization Requirements for Irradiated Reactor Fuel in Transit.” The final rule will be effective on August 19, 2013. Documents related to the final rule can be found at <http://www.regulations.gov> by searching on Docket ID NRC–2009–0163.

Guidance to a licensee or applicant for implementation of §§ 73.37 and 73.38 is provided in Revision 2 of NUREG–0561. This NUREG is intended for use by applicants, licensees, and NRC staff. Specifically, NUREG–0561 describes methods acceptable to the NRC staff for implementing the requirements in §§ 73.37 and 73.38. Methods and solutions different from those described in the document are acceptable if they meet the requirements in §§ 73.37 and 73.38, as applicable.

Draft Revision 2 of NUREG–0561 was made available for public comment on November 3, 2010 (75 FR 67636). The NRC received comments from eight commenters during the comment period. Two of the commenters requested extensions to the comment period and one supported the proposed rule and the revisions to the NUREG. The other five commenters requested clarification and/or changes, but the requested clarifications/changes related to the proposed rule, not the NUREG. Those comments requesting changes to the rule language were also submitted during the proposed rule comment period and were addressed in the final rule.

Dated at Rockville, Maryland, this 20th day of May, 2013.

For the Nuclear Regulatory Commission.

Unincorporated Business Entities

AGENCY: Farm Credit Administration.

ACTION: Final rule.

SUMMARY: The Farm Credit Administration (FCA, we, us, or our) issues this final rule to establish a

regulatory framework for Farm Credit System (System) institutions’ use of unincorporated business entities (UBEs) organized under State law for certain business activities. A UBE includes limited partnerships (LPs), limited liability partnerships (LLPs), limited liability limited partnerships (LLLPs), limited liability companies (LLCs), and any other unincorporated business entities, such as unincorporated business trusts, organized under State law. The final rule does not apply to UBEs that one or more System institutions may establish as Rural Business Investment Companies (RBICs) pursuant to the institutions’ authority under the provisions of title VI of the Farm Security and Rural Investment Act of 2002, as amended (FSRIA), and United States Department of Agriculture (USDA) regulations implementing FSRIA. This rule does apply, however, to System institutions that organize UBEs for the express purpose of investing in RBICs.

DATES: This regulation will be effective 30 days after publication in the **Federal Register** during which either or both Houses of Congress are in session. We will publish a notice of the effective date in the **Federal Register**.

FOR FURTHER INFORMATION CONTACT: Elna Luopa, Senior Corporate Analyst, Office of Regulatory Policy, Farm Credit Administration, McLean, VA 22102–5090, (703) 883–4414, TTY (703) 883–4056, or Wendy Laguarda, Assistant General Counsel, Office of General Counsel, Farm Credit Administration, McLean, VA 22102–5090, (703) 883–4020, TTY (703) 883–4056.

SUPPLEMENTARY INFORMATION:

I. Objectives

The objectives of this final rule are to:

- Affirm FCA’s authority to regulate and examine the System institutions’ use of UBEs, including the authority to impose any conditions FCA deems necessary and appropriate on UBE business activity, and to take enforcement action against System institutions whose business operations use UBEs;

- Prohibit System institutions from using UBEs to engage in direct lending or any activity that exceeds their authority under the Farm Credit Act of 1971, as amended (Act) or circumvents the application of cooperative principles;

- Limit the amount of a System institution’s equity investments in UBEs;

- Create a process for FCA review and approval of requests by System

institutions to organize or invest in UBEs for certain business activity;

- Establish standards for the proper and adequate disclosure and reporting of System UBE activity; and
- Ensure that the System’s use of UBEs remains transparent and free from conflicts of interest.

II. Background

The System’s existing investment¹ and incidental powers² provide the authorities for System institutions to invest in and form UBEs for certain business activity.

As business models and structures have evolved under State uniform statutes governing unincorporated, largely limited liability business structures, System institutions, with FCA approval, have been using their incidental and investment authorities to organize and invest in State-chartered UBEs to promote collaborative and expedient initiatives. Since 2009, System institutions have been organizing UBEs for the limited purposes of: (1) Making credit bids at a foreclosure sale or other court-approved auction of property collateralizing a System institution’s loans that are in default; and (2) holding and managing acquired property to minimize losses, protect the property’s value, and limit potential liability, including taking appropriate actions to limit the potential for liability under applicable environmental law and regulations.³ On a case-by-case basis, FCA has approved the System’s use of other types of UBEs for certain business purposes. In view of the many advantages of UBEs for certain business activity, on September 13, 2012, FCA published a proposed rule to establish a regulatory framework for their continued use. The proposed rule, which was published for public comment for 60 days, generated nine comment letters from the public. After considering the comments, we now finalize the proposed provisions as discussed below. We note that because this final rule codifies the guidance contained in FCA Bookletter BL–057,

¹ Sections 1.5(15) and 3.1(13)(A) of the Act set forth the investment authorities for System banks. Sections 2.2(10) and 2.12(18) of the Act set forth the investment authorities for System associations. FCA regulations in subpart E of part 615 imbue service corporations, chartered under section 4.25 of the Act, with the same investment authorities as their organizing System banks and associations.

² Sections 1.5(3), (15) and (21); 2.2(3), (10) and (20); 2.12(3), (18) and (19); 3.1(3) and (16) of the Act.
