

Type of Review: Regular.

Need and Use: The Letter of Interest (LI) is a pre-export tool to accelerate the start of the financing process. LI is an indication of Export-Import (Ex-Im) Bank's willingness to consider financing a given export transaction. Ex-Im Bank uses the requested information to determine the applicability of the proposed export transaction system prompts and determines whether or not to consider financing that transaction. This application tool streamlines the LI application process by guiding the applicant via automated prompts to submit the information specifically required for the desired transaction. By presenting only the information necessary for the transaction, the application reduces user confusion and wasted effort. The application allows for payment by credit card.
