## ENVIRONMENTAL PROTECTION AGENCY

### 40 CFR Part 62

[EPA-R05-OAR-2013-0372; FRL-9820-9]

#### Proposal for Sewage Sludge Incinerators State Plan for Designated Facilities and Pollutants; Indiana

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Proposed rule.

**SUMMARY:** EPA is proposing to approve, through direct final rulemaking, Indiana's State Plan to control air pollutants from Sewage Sludge Incinerators (SSI). The Indiana Department of Environmental Management submitted the State Plan on February 27, 2013, following the required public process. The State Plan is consistent with the Emission

Guidelines promulgated by EPA on March 21, 2011. This approval means that EPA finds that the State Plan meets applicable Clean Air Act requirements for subject SSI units. Once effective, this approval also makes the State Plan Federally enforceable.

**DATES:** Comments must be received on or before July 11, 2013.

**ADDRESSES:** Submit your comments, identified by Docket ID No. EPA-R05-OAR-2013-0372, by one of the following methods:

**SUPPLEMENTARY INFORMATION:** In the Rules section of this **Federal Register**, EPA is approving the State's submittal as a direct final rule without prior proposal because the Agency views this as a noncontroversial submittal and anticipates no adverse comments. A detailed rationale for the approval is set forth in the direct final rule. If no adverse comments are received in response to this rule, no further activity is contemplated. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. EPA will not institute a second comment period. Any parties interested in commenting on this action should do so at this time. Please note that if EPA receives adverse comment on an amendment, paragraph, or section of this rule and if that provision may be severed from the remainder of the rule, EPA may adopt as final those provisions of the rule that are not the subject of an adverse comment. For additional information, see the direct final rule which is located in the Rules section of this **Federal Register**.
