The CDC is soliciting nominations for membership on the World Trade Center (WTC) Health Program Scientific/Technical Advisory Committee (STAC).

Title I of the James Zadroga 9/11 Health and Compensation Act of 2010 (Pub. Section 3302(a) of the PHS Act established the WTC Health Program Scientific/Technical Advisory Committee (STAC). The STAC is governed by the provisions of the Federal Advisory Committee Act, as amended (Pub. L. 92-463, 5 U.S.C. App.), which sets forth standards for the formation and use of advisory committees in the Executive Branch. PHS Act Section 3302(a)(1) establishes that the STAC will: Review scientific and medical evidence and to make recommendations to the [WTC Program] Administrator on additional WTC Program eligibility criteria and on additional WTC-related health conditions.

The committee may be consulted for other matters as related to and outlined in the Act at the discretion of the WTC Program Administrator. Agency or Official to Whom the Committee Reports Section 3302(a)(1) instructs the committee to provide advice to the WTC Program Administrator. In accordance with Section 3302(a)(2) of the PHS Act, the WTC Program Administrator will appoint the members of the committee, which must include at least:

- 4 occupational physicians, at least two of whom have experience treating WTC rescue and recovery workers;
- 1 physician with expertise in pulmonary medicine;

- 2 representatives of WTC responders;
- 2 representatives of certified-eligible WTC survivors;

At this time the Administrator is seeking nominations for members fulfilling the following categories:

Other members may be appointed at the discretion of the WTC Program Administrator.

A STAC member's term appointment may last 3 years. If a vacancy occurs, the WTC Program Administrator may appoint a new member who represents the same interest as the predecessor. STAC members may be appointed to successive terms. The frequency of committee meetings shall be determined by the WTC Program Administrator based on program needs. Meetings may occur up to four times a year. Members are paid the Special Government Employee rate of \$250 per day, and travel costs and per diem are included and based on the Federal Travel Regulations.
