

submitted to OMB may be obtained from Ms. Pollard.

**SUPPLEMENTARY INFORMATION:** This notice informs the public that HUD has submitted to OMB a request for approval of the information collection described in Section A. The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on February 22, 2013.

#### A. Overview of Information Collection

*Title of Information Collection:* Application and Re-certification Packages for Approval of Nonprofit Organizations in FHA Activities.

*OMB Approval Number:* 2502–0540.

*Type of Request:* Extension of a currently approved collection.

*Form Number:* None.

*Description of the need for the information and proposed use:* HUD-Approved nonprofit organizations participate in the Discount Sales program as FHA insured mortgagors or provide down payment assistance to homebuyers in the form of secondary financing. A nonprofit organization must be HUD-approved and meet specific requirements to remain on the Nonprofit Organization Roster (Roster). This includes an application, affordable housing plan, annual reports, and required record keeping. HUD uses the information to ensure that a nonprofit organization meets the requirements to participate in Single Family programs.

*Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response:* The number of burden hours is 7,433. The number of respondents is 225, the number of responses is 1,056, the frequency of response is one, four or five depending on activity, and the average burden hour per response is 7.04.

#### B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) The accuracy of the agency's estimate of the burden of the proposed collection of information;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) Ways to minimize the burden of the collection of information on those

who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.

**SUPPLEMENTARY INFORMATION:** This notice informs the public that HUD has submitted to OMB a request for approval of the information collection described in Section A. The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on March 5, 2013.

#### A. Overview of Information Collection

*Title of Information Collection:* Single Family Premium Collection Subsystem-Upfront (SFPCS–U).

*OMB Approval Number:* 2502–0423.

*Type of Request:* Extension of a currently approved collection.

*Form Number:* None.

*Description of the need for the information and proposed use:* The Single Family Premium Collection Subsystem-Upfront (SFPCS–U) allows the lenders to remit the Upfront Mortgage Insurance Premiums using funds obtained from the mortgagor during the closing of the mortgage transaction at settlement.

The SFPCS–U strengthens HUD's ability to manage and process upfront single-family mortgage insurance premium collections and corrections. It also improves data integrity for the Single Family Mortgage Insurance Program. Therefore, the FHA approved lenders transmit UPMIP payment case detail directly to HUD and this information is remitted by HUD to the Department of the Treasury's Pay.gov Automated Clearing House (ACH) applications. The case-level payment information sent to HUD is updated on the Single Family Premium Collection Subsystem-Upfront (SFPCS). The authority for this collection of information is specified in 24 CFR 203.280 and 24 CFR 203.281. The collection of information is also used in calculating refunds due to former FHA mortgagors when they apply for homeowner refunds of the unearned portion of the mortgage insurance premium, 24 CFR 203.283, as appropriate. Without this information the premium collection/monitoring process would be severely impeded, and program data would be unreliable. In general, the lenders use the ACH applications to remit the upfront premium through SFPCS–U to obtain mortgage insurance for the homeowner.

*Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response:* Hourly rate is based on an estimate of the annual salary of lender clerical staff at \$33,634. The number of annual burden hours is 4,880. The number of respondents is

2,711, the number of responses is 32,532, the frequency of response is monthly, and the estimated burden time response is approximated 15 minutes.

**SUPPLEMENTARY INFORMATION:** This notice informs the public that HUD has submitted to OMB a request for approval of the information collection described in Section A. The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on March 18, 2013.

#### A. Overview of Information Collection

*Title of Information Collection:*

Multifamily Default Status Report.

*OMB Approval Number:* 2502-0041.

*Type of Request:* Extension of a currently approved collection.

*Form Number:* HUD-92426.

*Description of the need for the information and proposed use:*

Mortgagees use this information collection to notify HUD that a project owner is delinquent (16 days) or more than 30 days past due on a mortgage payment, and to elect to assign a defaulted mortgage to the Department (per regulations at 24 CFR Part 207.256) by the 75th day from the date of default. To avoid an assignment of mortgage to HUD, which costs the Government millions of dollars each year, HUD and the mortgagor may develop a plan for reinstating the loan since HUD uses the information as an early warning mechanism. HUD Field Office and Headquarters staff use the data to (a) monitor mortgagee compliance with HUD's loan servicing procedures and assignments; and (b) potentially avoid mortgage assignments. This information is submitted electronically via the Internet.

*Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response:* The number of burden hours is 1,159. The number of

respondents is 44, the number of responses is 6,959, the frequency of response is 158, and the burden hour per response is 10 minutes
