

2. Statutory Basis

The Exchange believes that the proposal is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Section 6(b)(5),⁶ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to, and perfect the mechanism of a free and open market and, in general, to protect investors and the public interest. The Exchange believes it is appropriate to make technical corrections to its rules so that Exchange members and investors have a clear and accurate understanding of the meaning of the Exchange's rules. The correction of the cross reference in Rule 900.3NY(o) will serve to eliminate a potential source of confusion for Exchange Participants.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change is non-substantive and therefore does not implicate the competition analysis.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁷ and Rule 19b-4(f)(6) thereunder.⁸ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

⁵ 15 U.S.C. 78f(b).

⁶ 15 U.S.C. 78f(b)(5).

⁷ 15 U.S.C. 78s(b)(3)(A)(iii).

⁸ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires the Exchange to give the Commission written notice of the Exchange's intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

A proposed rule change filed under Rule 19b-4(f)(6)⁹ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹⁰ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange stated that it believes that this proposal is non-controversial and will not significantly affect the protection of investors because the Exchange is not proposing any substantive changes and is merely correcting an inaccuracy in the Exchange's rules. According to the Exchange, the correction of the inaccurate cross reference in the Exchange's rules will eliminate member confusion and provide clarity on how the rules apply. Based on the Exchange's statements, the Commission believes that waiving the operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby grants the Exchange's request and waives the 30-day operative delay.¹¹

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[File No. 500-1]

In the Matter of Biozoom, Inc.; Order of Suspension of Trading

June 25, 2013.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Biozoom, Inc. ("Biozoom"), a Nevada corporation headquartered in Germany, trading under the symbol BIZM on the Over-

the-Counter Bulletin Board (“OTCBB”). The Commission is concerned that certain Biozoom affiliates and shareholders may have unjustifiably relied upon Rule 144 of the Securities Act of 1933 (“Securities Act”) and they, Biozoom, and others may be engaged in an unlawful distribution of securities through the OTCBB.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company.

Therefore, it is *ordered*, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the above-listed company is suspended from the period 9:30 a.m. EDT, June 25, 2013, through 11:59 p.m. EDT, on July 9, 2013.

By the Commission.
