Description of the need for the information and proposed use: All multifamily properties with Section 8 project based assistance or housing with HUD insured or HUD Held mortgages or Housing that is receiving insurance from HUD must be inspected regularly. Entities responsible for conducting physical inspections of the properties are HUD, the lender or the owner. Owners/Agents which have been cited with Exigent Health and Safety (EH&S) deficiencies must certify that (EH&S) deficiencies noted during the than 30 days past due on a mortgage payment, and to elect to assign a defaulted mortgage to the Department (per regulations at 24 CFR Part 207.256) by the 75th day from the date of default. To avoid an assignment of mortgage to HUD, which costs the Government millions of dollars each year, HUD and the mortgagor may develop a plan for reinstating the loan since HUD uses the information as an early warning mechanism.
