Notifications to Interested Parties

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a). Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this rescission and notice in accordance with sections 751(a)(2)(B) and 777(i) of the Act and 19 CFR 351.214(f)(3).

Final Determination

In the *Preliminary Determination*, the Department found that imports of tissue paper processed by ARPP in India, and exported to the United States, are circumventing the *PRC Tissue Paper Order* pursuant to section 781(b) of the Act. Our final determination remains unchanged from our *Preliminary Determination*. As detailed in the Issues and Decision Memorandum, we determine that tissue paper processed by ARPP in India from PRC-origin jumbo rolls and/or cut sheets of tissue paper and exported to the United States circumvented the *PRC Tissue Paper*

Order. We therefore determine that it is appropriate to include this merchandise within the scope of the *PRC Tissue Paper Order* and to continue to instruct U.S. Customs and Border Protection (CBP) to suspend entries of tissue paper products produced by ARPP from PRC-origin tissue paper.

Continuation of Suspension of Liquidation

In accordance with section 781(b) of the Act and 19 CFR 351.225(l)(3), the Department will continue to direct CBP to suspend liquidation and to require a cash deposit of estimated duties, at the rate applicable to the exporter, on all unliquidated entries of tissue paper produced by ARPP from PRC-origin tissue paper (jumbo rolls and/or cut sheets) that were entered, or withdrawn from warehouse, for consumption on or after May 3, 2012, the date of initiation of the anti-circumvention inquiry.⁶
