Foreign-Trade Zone (FTZ) 183—Austin, Texas; Notification of Proposed Production Activity; Samsung Austin Semiconductor, LLC (Semiconductors); Austin, Texas

Samsung Austin Semiconductor, LLC (Samsung), operator of Subzone 183B, submitted a notification of proposed production activity to the FTZ Board for its facility in Austin, Texas. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on June 26, 2013.

Samsung currently has authority to produce semiconductor memory devices for export within Subzone 183B. The current request would add an imported component to the scope of authority. Pursuant to 15 CFR 400.14(b), additional FTZ authority would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Export production under FTZ procedures could exempt Samsung from customs duty payments on the foreign status component included here as well

as on the components included in the existing scope of authority for the company. Customs duties also could possibly be deferred or reduced on foreign status production equipment.

The additional component sourced from abroad is: acetic acid (duty rate 1.8%).

Certain Hot-Rolled Carbon Steel Flat Products from India: Rescission of Antidumping Duty Administrative Review; 2011–2012

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is rescinding the

administrative review of the antidumping duty order on certain hot-rolled carbon steel flat products (hot rolled steel) from India for the period December 1, 2011, through November 30, 2012.

DATES: *Effective Date:* July 5, 2013.

FOR FURTHER INFORMATION CONTACT: Christopher Hargett, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–4161.

SUPPLEMENTARY INFORMATION:

Background

On January 30, 2013, the Department initiated an administrative review of hot rolled steel from India covering the period December 1, 2011, through November 30, 2012, based on a request by United States Steel Corporation (U.S. Steel) and Nucor Corporation (Nucor).¹ The review covers eight companies.²

Nucor and U.S. Steel withdrew their requests for an administrative review of these companies on April 12, 2013, and April 25, 2013, respectively.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication of the *Initiation Notice*. In this case, U.S. Steel and Nucor withdrew their requests within the 90-day deadline and no other parties requested an administrative review of the antidumping duty order. Therefore, we are rescinding the administrative review of hot rolled steel from India covering the period December 1, 2011, through November 30, 2012, of the eight companies listed in the *Initiation Notice*.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all entries of hot rolled steel from India during the period of review. Because the Department is rescinding this administrative review in its entirety, the entries to which this administrative review pertained shall be assessed antidumping duties at rates equal to the cash deposit of estimated antidumping duties required at the time of entry or

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 78 FR 6291 (January 30, 2013) (*Initiation Notice*).

withdrawal from warehouse for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice.

Notifications

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period.

Failure to comply with this requirement could result in the Department's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation that is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: June 27, 2013

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
