Which program?	What is submitted?	Where is it submitted?	What are the deadlines for disbursement and for submission of records and information?
Federal Pell Grant and Iraq and Afghanistan Service Grant.	Request for administrative relief if a student reenters the institution within 180 days after initially withdrawing, and the institution is reporting a disbursement for the student within 15 days of the student's reenrollment but after September 30, 2013 ³ .	Via COD Web site at: www.cod.ed.gov .	The earlier of: (a) 15 days after the student reenrolls; or (b) May 3, 2015.

¹ A COD Processing Year is a period of time in which institutions are permitted to submit Direct Loan records to the COD System that are related to a given award year. For a Direct Loan, the period of time includes loans that have a loan period covering any day in the 2013–2014 award year.

² Transmissions must be completed and accepted before 12:00 midnight (Eastern Time) to meet the deadline. If transmissions are started before 12:00 midnight but are not completed until after 12:00 midnight, those transmissions will not meet the deadline. In addition, any transmission submitted on or just prior to the deadline date that is rejected may not be reprocessed because the deadline will have passed by the time the user gets the information notifying him or her of the rejection.

³ Applies only to students enrolled in clock-hour and nonterm credit-hour educational programs.

Note: The COD System must accept origination data for a student from an institution before it accepts disbursement information from the institution for that student. Institutions may submit origination and disbursement data for a student in the same transmission. However, if the origination data is rejected, the disbursement data is rejected.
