1. Program Discrimination Complaint—0960-0585. SSA collects information on Form SSA-437 to investigate and formally resolve complaints of discrimination based on disability, race, color, national origin (including limited English language proficiency), sex (including sexual orientation and gender identity), age, religion, or retaliation for having participated in a proceeding under this administrative complaint process in connection with an SSA program or activity. Individuals who believe SSA discriminated against them on any of the above bases may file a written

complaint of discrimination. SSA uses the information to (1) identify the complaint; (2) identify the alleged discriminatory act; (3) establish the date of such alleged action; (4) establish the identity of any individual(s) with information about the alleged discrimination; and (5) establish other relevant information that would assist in the investigation and resolution of the complaint. Respondents are individuals who believe an SSA program or activity, or SSA employees, contractors or agents discriminated against them.

2. Work Incentives Planning and Assistance Program—0960-0629. As part of SSA's strategy to assist Social Security Disability Insurance (SSDI) beneficiaries and Supplemental Security Income (SSI) recipients who wish to return to work and achieve self-sufficiency, SSA established the Work Incentives Planning and Assistance (WIPA) program. This community-based, work incentive, planning and assistance project collects identifying

claimant information via project sites and community work incentives coordinators (CWIC). SSA uses this information to ensure proper management of the project, with particular emphasis on administration, budgeting, and training. In addition, project sites and CWICs collect data from SSDI beneficiaries and SSI recipients on background employment, training, benefits, and work incentives. SSA is interested in identifying SSDI

beneficiary and SSI recipient outcomes under the WIPA program to determine the extent to which beneficiaries with disabilities and SSI recipients achieve their employment, financial, and health-care goals. SSA will also use the data in its analysis and future planning for SSDI and SSI programs. Respondents are SSDI beneficiaries, SSI recipients, community project sites, and employment advisors.

DEPARTMENT OF STATE

[Public Notice 8373]

Bureau of Western Hemisphere Affairs, Executive Order 11423, as Amended; Notice of Receipt of Application for an Amendment to a Presidential Permit To Allow the Crossing of Non-Radioactive Hazardous Materials Across the World Trade Bridge in the City of Laredo, Texas

AGENCY: Department of State.

ACTION: Notice.

SUMMARY: The Department of State hereby gives notice that it has received an application for an amendment to the existing Presidential permit to allow the crossing of non-hazardous radioactive materials (HAZMAT) across the World Trade Bridge between the City of

Laredo, Texas and Nuevo Laredo, Tamaulipas, Mexico. This application has been filed by the City of Laredo, the original permittee for the World Trade Bridge. A Presidential permit for the World Trade Bridge crossing was issued by the Department of State on October 7, 1994.

The Department of State's jurisdiction with respect to this application is based upon the International Bridge Act of 1972, 33 U.S.C. 535 *et seq.*, and Executive Order 11423, dated August 16, 1968, as amended. The Department of State has determined that, under Executive Order 11423, an amended Presidential permit is required to allow the transit of HAZMATs as this constitutes a substantial change to the operations of the crossing as authorized by the existing Presidential permit.

As provided in E.O. 11423, the Department is circulating the City of Laredo's application, along with the EA, to concerned agencies for comment. Under E.O. 11423, the Department has the responsibility to determine, taking into account input from these agencies and other stakeholders, whether issuance of an amendment to the Presidential Permit would serve the national interest.

Interested members of the public are invited to submit written comments regarding this application on or before August 7, 2013 to MexicoCrossingComm@State.gov or to Peter Marigliano, Border Affairs Officer, WHA/MEX, HST Room 1329A, Department of State, 2201 C St. NW., Washington, DC 20520.
