SECURITIES AND EXCHANGE COMMISSION

Sunshine Act Meetings

Notice is hereby given, pursuant to the provisions of the Government in the Sunshine Act, Public Law 94-409, that the Securities and Exchange

Commission will hold a Closed Meeting on Thursday, July 10, 2013 at 4:00 p.m.

Commissioners, Counsel to the Commissioners, the Secretary to the Commission, and recording secretaries will attend the Closed Meeting. Certain staff members who have an interest in the matters also may be present.

The General Counsel of the Commission, or her designee, has certified that, in her opinion, one or more of the exemptions set forth in 5 U.S.C. 552(b)(3), (5), (7), 9(B) and (10) and 17 CFR 200.402(a)(3), (5), (7), 9(ii) and (10), permit consideration of the scheduled matters at the Closed Meeting.

Commissioner Gallagher, as duty officer, voted to consider the items listed for the Closed Meeting in a closed session.

The subject matter of the Closed Meeting will be:

institution and settlement of injunctive actions;
adjudicatory matters; and
other matters relating to enforcement proceedings.

At times, changes in Commission priorities require alterations in the scheduling of meeting items.

For further information and to ascertain what, if any, matters have been added, deleted or postponed, please contact the Office of the Secretary at (202) 551-5400.

Dated: July 3, 2013.

Elizabeth M. Murphy,
Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-69899; File No. SR-EDGX-2013-24]

Self-Regulatory Organizations; EDGX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Amendments to the EDGX Exchange, Inc. Fee Schedule

July 1, 2013.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 26, 2013, EDGX Exchange, Inc. (the "Exchange" or "EDGX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III

below, which items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its fees and rebates applicable to Members³ and non-Members of the Exchange pursuant to EDGX Rule 15.1(a) and (c). All of the changes described herein are applicable to EDGX Members. The text of the proposed rule change is available on the Exchange's Internet Web site at www.directedge.com, at the Exchange's principal office, and at the Public Reference Room of the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange maintains logical ports for order entry (FIX, HP-API), drop copies (DROP), EdgeRisk and market data (collectively, "Direct Logical Ports").⁴ In SR-EDGX-2012-36, the Exchange reduced the number of free Direct Logical Ports from ten (10) sessions to five (5) sessions.⁵ The

³ A Member is any registered broker or dealer, or any person associated with a registered broker or dealer that has been admitted to membership in the Exchange.

⁴ See Securities Exchange Act Release No. 69670 (May 30, 2013) 78 FR 33871 (June 5, 2013) (SR-EDGX-2013-18) (adding EdgeRisk ports to the list of logical ports offered by the Exchange); Securities and Exchange Act Release No. 64963 (July 26, 2011), 76 FR 45895 (August 1, 2011) (SR-EDGX-2011-21) (discussing the Exchange's proposal to include logical ports that receive market data among the types of logical ports that the Exchange assesses a monthly fee to Members and non-Members).

⁵ See Securities and Exchange Act Release No. 67741 (August 28, 2012), 77 FR 53950 (September 4, 2012) (SR-EDGX-2012-36) (discussing the Exchange's proposal to reduce its number of free logical ports from ten (10) to five (5)).

Exchange proposes to reduce the quantity of free Direct Logical Ports from five (5) sessions to two (2) sessions. The Exchange would assess a monthly fee per logical port for Members and non-Members that maintain three or more Direct Logical Ports. In addition, the Exchange, pursuant to an information circular dated June 4, 2013, communicated to Members and non-Members that the Exchange would propose these changes in a subsequent filing with the Securities and Exchange Commission.⁶

The Exchange further proposes to make a ministerial change to its fee schedule by changing the name of its HP-API logical ports from "HP-API" to "Edge XPRS (HP-API)."

The Exchange proposes to implement these amendments to its fee schedule on July 1, 2013.

2. Statutory Basis

The Exchange believes that the proposed rule changes are consistent with the objectives of Section 6 of the Act,⁷ in general, and furthers the objectives of Section 6(b)(4),⁸ in particular, as the proposed rule changes are designed to provide for the equitable allocation of reasonable dues, fees and other charges among Members and other persons using the Exchange's facilities.

The Exchange believes its proposal to amend its fee schedule to reduce the quantity of free Direct Logical Ports from five sessions to two sessions represents an equitable allocation of reasonable dues, fees and other charges because the Exchange has recently implemented several infrastructure enhancements that optimized processing speed and capacity per port, thereby requiring fewer ports to communicate the same information. In addition, the proposal to reduce the number of logical ports from five to two will offset the costs of necessary hardware, infrastructure expenses, maintenance fees and staff support costs in operating a national securities exchange. The revenue generated from its proposal will also pay for the technical infrastructure and operating expenses of logical ports along with administrative and infrastructure costs associated with allowing Members and non-Members to establish logical ports to connect to the Exchange's systems. The Exchange also believes that reducing the quantity of free Direct Logical Ports from five to two sessions
