SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on October 16, 2012, based on a complaint filed on September 10, 2012, on behalf of South Alabama Medical Science Foundation of Mobile, Alabama ("SASF"); Merck & Cie of Altdorf, Switzerland ("Merck"); and PamLab LLC of Covington, Louisiana ("PamLab"). 77 FR 63336 (October 16, 2012). The complaint alleged violations of Section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, by reason of infringement of one or more of claims 37, 39, 40, 47, 66, 67, 73, 76, 78-81, 83, 84, 86-89, 91, 92, 94-97, 99, 100, 110, 111, 113, 117, and 121 of U.S. Patent No. 5,997,915; claims 22, 26, and 32-38 of U.S. Patent No. 6,673,381; claims 1, 4-6, and 15 of U.S. Patent No. 7,172,778; and claims 1-3, 5, 6, 8, 9, 11-15, and 19-22 of U.S. Patent No. 6,011,040. The Commission's notice of investigation named as respondents Gnosis SpA of Desio, Italy; Gnosis Bioresearch SA of Sant'Antonino, Switzerland; Gnosis USA Inc. of Doylestown, Pennsylvania; and Macoven Pharmaceuticals LLC of Magnolia, Texas.

On December 13, 2012, the Commission issued notice of its determination not to review an ID adding Viva Pharmaceuticals LLC as a new respondent. On February 4, 2013, the Commission issued notice of its determination not to review an ID to identify the new respondent as Viva Pharmaceuticals Inc. rather than Viva Pharmaceuticals LLC.

On May 10, 2013, complainants SASF, Merck, and PamLab filed an unopposed corrected motion for leave to add Nestle Health Science-PamLab Inc. ("NHS-PamLab") as a complainant and change PamLab's name to Camline LLC. On June 11, 2013, the administrative law judge issued an ID (Order No. 12) granting the motion. The administrative law judge found good cause shown because NHS-PamLab has acquired PamLab and PamLab was renamed following the acquisition. There were no petitions for review.

Having considered the ID and the relevant portions of the record, the Commission has determined not to review the subject ID. The complaint and notice of investigation are therefore

amended to add a new complainant NHS-PamLab and to rename PamLab as Camline LLC.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and of section 210.42(h) of the Commission's Rules of Practice and Procedure (19 CFR 210.42(h)).

By order of the Commission.

Issued: July 8, 2013.

Lisa R. Barton,

Acting Secretary to the Commission.

SUPPLEMENTARY INFORMATION: The Labor-Management Reporting and Disclosure Act requires a union to file an annual financial report and a copy of the union's constitution and bylaws with the DOL. Under certain circumstances, reports are required of a union officer and employee, employer, labor relations consultant, and surety company. Any such report is available for public disclosure. A filer is required to retain supporting records for five years; a union is also required to retain election records for one year.

This ICR has been classified as a revision, because a LM-2 filer will no longer be required to obtain a digital signature from a third-party vendor. Furthermore, the DOL seeks to transfer the 2011 version of Form LM-30 from OMB Control Number 1245-0005 to Control Number 1245-0003. The DOL will discontinue the pre-2011 Form LM-30 under 1205-0005, after the OMB approves the current request, consistent with regulations published on October 26, 2011 (76 FR 66442). For additional substantive information about this ICR, see the related notice published in the **Federal Register** on April 8, 2013 (78 FR 20948).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for the ongoing information collection under Control Number 1245-0003. The current approval is scheduled to expire on October 31, 2013; however, it should be

noted that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval.

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within 30 days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1245-0003. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
