

corrections. The fee for processing fingerprint checks includes one re-submission if the Federal Bureau of Investigations (FBI) returns the initial submission because the fingerprint impressions cannot be classified. If additional submissions are necessary, they will be treated as initial submittals and will require a second payment of the processing fee.

Fees for processing fingerprint checks are due upon application. Licensees shall submit payment with the application for processing fingerprints by corporate check, certified check, cashier's check, money order, or electronic payment made payable to the NRC. (For guidance on making electronic payments, contact the Facilities Security Branch, Division of Facilities and Security, at 301-492-3531) Combined payment for multiple applications is acceptable. The application fee (currently \$26.00) is the sum of the user fee that the FBI charges for each fingerprint card or other fingerprint record that the NRC submits on behalf of a licensee and an NRC processing fee, which covers administrative costs associated with the NRC's handling of licensee fingerprint submissions. The Commission will directly notify licensees who are subject to this regulation of any fee changes.

The Commission will forward to the submitting licensee all data received from the FBI as a result of the licensee's application(s) for criminal history records checks, including the FBI fingerprint record.

Right To Correct and Complete Information

Before any final adverse determination, the licensee shall make available to the individual the contents of any criminal records obtained from the FBI for the purpose of assuring correct and complete information. Written confirmation by the individual of receipt of this notification must be maintained by the licensee for 1 year from the date of the notification. If, after reviewing the record, an individual believes that it is incorrect or incomplete in any respect and wishes to change, correct, update the alleged deficiency, or explain any matter in the record, the individual may initiate challenge procedures. These procedures include either direct application by the individual challenging the record to the agency (i.e., law enforcement agency) that contributed the questioned information or direct challenge to the accuracy or completeness of any entry on the criminal history record to the Assistant Director, Federal Bureau of Investigation, Identification Division,

Washington, DC 20537-9700 (as set forth in 28 CFR 16.30 through 16.34). In the latter case, the FBI forwards the challenge to the agency that submitted the data and requests that agency to verify or correct the challenged data. Upon receipt of an official communication directly from the agency that contributed the original information, the FBI Identification Division makes any changes necessary in accordance with the information that agency supplies. The licensee must give at least 10 days for an individual to initiate an action challenging the results of an FBI criminal history records check after the record is made available to that individual for his or her review. The licensee may make a final SGI access determination based on the criminal history record only upon receipt of the FBI's ultimate confirmation or correction of the record. Upon a final adverse determination on access to SGI, the licensee shall give the individual its documented basis for denial. Access to SGI shall not be granted to an individual during the review process.

Protection of Information

(1) Each licensee who obtains a criminal history record on an individual under this Order shall establish and maintain a system of files and procedures for protecting the record and the personal information from unauthorized disclosure.

(2) The licensee may not disclose the record or personal information collected and maintained to persons other than the subject individual, his or her representative, or to those who have a need to access the information in performing assigned duties in the process of determining access to Safeguards Information (SGI). No individual authorized to have access to the information may re-disseminate the information to any other individual who does not have a need-to-know claim.

(3) The personal information obtained on an individual from a criminal history record check may be transferred to another licensee if the licensee holding the criminal history record check receives the individual's written request to re-disseminate the information contained in his or her file, and the current licensee verifies information such as the individual's name, date of birth, social security number, sex, and other applicable physical characteristics for identification purposes.

(4) The licensee shall make criminal history records, obtained under this section, available for examination by an authorized representative of the NRC to determine compliance with the regulations and laws.

(5) The licensee shall retain all fingerprint and criminal history records received from the FBI, or a copy if the individual's file has been transferred, for 3 years after termination of employment or determination of access to SGI (whether access was approved or denied). After the required 3 years, these documents shall be destroyed by a method that will prevent reconstruction of the information in whole or in part.

- V. Ordering Paragraphs

I. Introduction

On July 9, 2013, the Postal Service filed a notice stating that it has entered into an additional Global Expedited Package Services (GEPS) 3 negotiated service agreement (Agreement).¹ The Postal Service seeks inclusion of the Agreement within the GEPS 3 product. *Id.* at 2.

II. Background

The Commission first approved the addition of a GEPS negotiated service agreement to the competitive product list as a result of consideration of

Governors' Decision No. 08-7 in Docket No. CP2008-5.² The Commission later added GEPS 3 to the competitive product list and authorized the agreement filed in Docket No. CP2010-71 to serve as the baseline agreement for comparison of potentially functionally equivalent agreements.³

The Agreement is a successor to the negotiated service agreement that was the subject of Docket No. CP2012-35 and is set to expire on July 31, 2013. Notice at 3. The effective date of the Agreement is August 1, 2013. *Id.* It is set to expire on the last day of the month, which falls one calendar year from the effective date. *Id.* Attachment 1 at 7.

III. Contents of Filing

The Notice includes the following attachments:

- Attachment 1—a redacted copy of the Agreement;
- Attachment 2—a redacted copy of the certified statement required by 39 CFR 3015.5(c)(2);
- Attachment 3—a redacted copy of Governors' Decision No. 08-7, which establishes prices and classifications for Global Expedited Package Services Contracts; and
- Attachment 4—an application for non-public treatment of materials to be filed under seal.

Materials filed under seal include unredacted copies of the Agreement, the certified statement, and supporting financial workpapers. *Id.* Attachment 4 at 3. The Postal Service filed redacted versions of the financial workpapers as public Excel files.

In the Notice, the Postal Service asserts that the Agreement is functionally equivalent to the GEPS 3 baseline agreement, notwithstanding differences in two of the introductory paragraphs of the Agreement; revisions to several existing articles; and new, deleted, and renumbered articles. *Id.* at 3-7. The Postal Service states that these differences affect neither the fundamental service being offered under the Agreement nor the Agreement's fundamental structure. *Id.* at 7.

The Postal Service concludes that the Agreement is in compliance with the requirements of 39 U.S.C. 3633 and that the Agreement is functionally equivalent to the baseline agreement. *Id.* The Postal Service therefore requests that the Commission add the Agreement to the GEPS 3 product. *Id.*

IV. Commission Action

The Commission establishes Docket No. CP2013-72 for consideration of matters raised by the Notice. Interested persons may submit comments on whether the Postal Service's filings are consistent with 39 U.S.C. 3632, 3633, or 3642, 39 CFR part 3015, and subpart B of 39 CFR part 3020. Comments are due no later than July 17, 2013. The public portions of the Postal Service's filing can be accessed via the Commission's Web site, <http://www.prc.gov>. Information concerning access to non-public material is located in 39 CFR part 3007.
