

(Pub. L. 104–13, 44 U.S.C. Chapter 35). This information collection relates to 12 CFR part 713 which requires a federal credit union (FCU) to monitor its eligibility to qualify for a higher fidelity coverage deductible and to notify the NCUA if its financial condition changes resulting in the loss of that eligibility for the higher deductible. This information collection notice is published to obtain comments from the public. This requirement enables NCUA to monitor the FCU's financial condition for safety and soundness purposes and helps to assure that FCUs are properly and adequately protected against potential losses due to insider abuse such as fraud and embezzlement.

**SUPPLEMENTARY INFORMATION:**

**I. Abstract and Request for Comments**

NCUA is reinstating a previously approved collection of information for 3133–0170. The regulation calls for an FCU that ceases to meet eligibility requirements for the higher deductible to obtain a policy with the required coverage and to notify the appropriate NCUA regional office of its changed status. The notice must also confirm that the FCU has obtained the required coverage. The information will be used by the regional office in its efforts to monitor credit unions for safe and sound operations and is critically important in helping to avert or minimize losses to the National Credit Union Share Insurance Fund (NCUSIF). The NCUSIF provides federally guaranteed account insurance for all federally insured credit unions. Adequate insurance coverage can avert a credit union from failing due to

insolvency; alternatively, where insolvency and failure do occur, the NCUA, in its capacity as receiver for the failed FCU, can recoup some of its losses through a claim under an insurance policy.

The NCUA requests that you send your comments on this collection to the location listed in the addresses section. Your comments should address: (a) The necessity of the information collection for the proper performance of NCUA, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents such as through the use of automated collection techniques or other forms of information technology. It is NCUA's policy to make all comments available to the public for review.

**I. Abstract and Request for Comments**

NCUA is reinstating a previously approved collection of information for 3133–0146. 12 CFR Part 792, Subpart C requires anyone requesting NCUA non-public records for use in legal proceedings, or similarly the testimony of NCUA personnel, to provide NCUA with information regarding the requester's grounds for the request. This process is also known as a "Touhy Request". The information collected will help the NCUA decide whether to release non-public records or permit employees to testify in legal proceedings.

NCUA regulations also require an entity or person in possession of NCUA records to notify the NCUA upon receipt of a subpoena for those records. The NCUA requires this notice to protect its records and, when necessary, intervene in litigation or file an objection to the disclosure of its confidential information in the appropriate court or tribunal.

The NCUA requests that you send your comments on this collection to the location listed in the addresses section. Your comments should address: (a) The necessity of the information collection for the proper performance of NCUA, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents such as through the use of automated collection techniques or other forms of information technology. It is NCUA's policy to make all comments available to the public for review.

### SUPPLEMENTARY INFORMATION:

#### I. Abstract and Request for Comments

NCUA is reinstating the collection for 3133-0108. Section 748.2 of NCUA's regulations, 12 CFR 748.2, directs credit unions to adopt a written program and to maintain procedures that ensure the credit union's continued compliance with the Bank Secrecy Act (BSA) (31 U.S.C. 5311-5330) and Department of Treasury's reporting and recordkeeping regulations (31 CFR part 1000). NCUA examiners review the programs to determine whether the credit union's procedures comply with the Bank Secrecy Act requirements. The requirement that credit unions establish written BSA compliance procedures is a one-time event, but revisions to those procedures must occur as deemed necessary.

NCUA examiners review the written procedures during examinations in order to ensure the implementation of adequate systems for complying with the BSA and its implementing regulations.

The NCUA requests that you send your comments on this collection to the location listed in the **ADDRESSES** section. Your comments should address: (a) The necessity of the information collection for the proper performance of NCUA, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents such as through the use of automated collection techniques or other forms of information technology. It is NCUA's policy to make all comments available to the public for review.
