

and thereafter to restore possession and control to the permittee. In the event that the United States shall exercise such right, it shall pay to the permittee just and fair compensation for the use of such United States facilities upon the basis of a reasonable profit in normal conditions, and the cost of restoring said facilities to as good condition as existed at the time of entering and taking over the same, less the reasonable value of any improvements that may have been made by the United States.

Article 8. Any transfer of ownership or control of the United States facilities or any part thereof shall be immediately notified in writing to the United States Department of State, including the submission of information identifying the transferee. This permit shall remain in force subject to all the conditions, permissions and requirements of this permit and any amendments thereto unless subsequently terminated or amended by the Secretary of State or the Secretary's delegate.

Article 9. (1) The permittee is responsible for acquiring such right-of-way grants or easements, permits, and other authorizations as may become necessary and appropriate.

(2) The permittee shall save harmless and indemnify the United States from any claimed or adjudged liability arising out of the construction, connection, operation, or maintenance of the facilities, including but not limited to environmental contamination from the release or threatened release or discharge of hazardous substances and hazardous waste.

(3) The permittee shall maintain the United States facilities and every part thereof in a condition of good repair for their safe operation, and in compliance with prevailing environmental standards and regulations.

Article 10. The permittee shall take all necessary measures to prevent or mitigate adverse environmental impacts or disruption of archeological resources in connection with the construction, operation, and maintenance of the United States facilities. Such measures will include any construction, mitigation, and reclamation measures included in the Environmental Protection Plan (EPP), other mitigation and control plans that are already approved or that are approved in the future by the Department of State or other relevant federal agencies, and any other measures deemed prudent by the permittee.

Article 11. The permittee shall file with the appropriate agencies of the United States Government such statements or reports under oath with respect to the

United States facilities, and/or permittee's activities and operations in connection therewith, as are now or may hereafter be required under any laws or regulations of the United States Government or its agencies. The permittee shall file electronic Export Information where required.

Article 12. The permittee shall provide written notice to the Department of State at such time as the construction authorized by this permit is begun, at such time as construction is completed, interrupted, or discontinued, and at other times as may be designated by the Department of State.

Article 13. This permit shall expire five years from the date of issuance in the event that the permittee has not commenced construction of the United States facilities by that deadline. IN WITNESS WHEREOF, I, Robert D. Hormats, Under Secretary of State for Economic Growth, Energy, and the Environment, have hereunto set my hand this 16th day of July 2013, in the City of Washington, District of Columbia.

Robert D. Hormats,
Under Secretary of State for Economic Growth, Energy, and the Environment

BILLING CODE 4710-09-P

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

Agency Information Collection Activities: Requests for Comments; Clearance of Renewed Approval of Information Collection: Human Response to Aviation Noise in Protected Natural Areas Survey

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew an information collection. This research is important for establishing the scientific basis for air tour management policy decisions in the National Parks as mandated by the

National Parks Air Tour Management Act of 2000.

DATES: Written comments should be submitted by September 30, 2013.

FOR FURTHER INFORMATION CONTACT: Kathy DePaepe at (405) 954-9362, or by email at: Kathy.A.DePaepe@faa.gov.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 2120-0744.

Title: Human Response to Aviation Noise in Protected Natural Areas Survey.

Form Numbers: There are no FAA forms associated with this request.

Type of Review: Renewal of an information collection.

Background: The data from this research are critically important for establishing the scientific basis for air tour management policy decisions in the National Parks as mandated by the National Parks Air Tour Management Act of 2000 (NPATMA). The research expands on previous aircraft noise dose-response work by using a wider variety of survey methods, by including different site types and visitor experiences from those previously measured, and by increasing site type replication.

Respondents: Approximately 16,800 visitors to National Parks annually.

Frequency: Information is collected on occasion.

Estimated Average Burden per Response: 15 minutes.

Estimated Total Annual Burden: 4,200 hours annually.

ADDRESSES: Send comments to the FAA at the following address: Ms. Kathy DePaepe, Room 126B, Federal Aviation Administration, AES-200, 6500 S MacArthur Blvd., Oklahoma City, OK 73169.

Public Comments Invited: You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

Issued in Washington, DC, on July 24, 2013.

Albert R. Spence,

FAA Assistant Information Collection Clearance Officer, IT Enterprises Business Services Division, AES-200.
