

Nos. 5,434,480 (“the ‘480 patent”) and 8,035,318 (“the ‘318 patent”). The complaint named numerous respondents, many of whom have been terminated from the investigation on the basis of settlement agreement, consent order, or withdrawal of the complaint. By the time of the Administrative Law Judge’s final Initial Determination (“ID”), the remaining respondents were: Technical Consumer Products, Inc. of Aurora, Ohio; Shanghai Qiangling Electronics Co., Ltd. of Shanghai, China; Zhejiang Qiang Ling Electronic Co. Ltd. of Zhenjiang, China (collectively, “TCP”); U Lighting America Inc. of San Jose, California (“ULA”); and Golden U Lighting Manufacturing (Shenzhen) of Shenzhen, China (“Golden U”). Claim 9 of the ‘480 patent has been asserted against ULA and Golden U, and claims 1 and 12 of the ‘318 patent have been asserted against TCP.

On February 27, 2013, the ALJ issued his final Initial Determination (“ID”). The ID found Golden U in default, but found no violation of section 337 as to all remaining respondents on the basis of Neptun’s failure to satisfy the economic prong of the domestic industry requirement of section 337. The ALJ also found that respondent TCP’s accused products do not infringe the asserted claims of the ‘318 patent.

On March 12, 2013, Neptun filed a petition for review of the ID; TCP and ULA each filed a contingent petition for review of the ID. On March 20, 2013, Neptun opposed TCP’s and ULA’s petitions, and TCP and ULA each opposed Neptun’s petition. On April 3, 2013, the Commission extended the whether-to-review deadline and the target date by approximately six weeks. Notice (Apr. 3, 2013).

On June 10, 2013, Neptun and TCP filed an unopposed joint motion to terminate the investigation as to TCP on the basis of a settlement agreement between Neptun and TCP. On June 12, 2013, the Commission issued a notice terminating the investigation as to TCP. That notice also determined to review, *inter alia*, the ALJ’s finding that Neptun did not demonstrate the existence of a domestic industry. On June 25, 2013, Neptun and ULA filed briefs in response to the Commission notice. Neptun and ULA subsequently requested extensions of time for the filing of replies in order to enable them to submit a motion terminating the investigation against ULA.

On July 10, 2013, Neptun and ULA moved to terminate the investigation against ULA on the basis of a settlement agreement. On July 15, 2013, Neptun moved to terminate the investigation against Golden U on the basis of

withdrawal of the complaint. Termination against these two respondents results in termination of the investigation. The Commission has determined that termination as to the remaining respondents is in the public interest, and the Commission has determined to grant both motions. The Commission thereby terminates the investigation.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in sections 210.21 and 210.42–46 of the Commission’s Rules of Practice and Procedure (19 CFR 210.21, 210.42–46).

By order of the Commission.
Issued: July 26, 2013.

Lisa R. Barton,
Acting Secretary to the Commission.
