SUPPLEMENTARY INFORMATION:

Summary of Information Collection

DFAS will conduct a variety of customer satisfaction surveys via multiple methods (internet, telephone and paper/pencil administration). If the customer feedback activities were not conducted, DFAS would not only be in violation of E.O. 12862, but would also not have the knowledge necessary to provide the best service possible and provide unfiltered feedback from the customer for process improvement activities. The information collected provides information about customer perceptions and can help identify agency operations that need quality improvement, provide early detection of process or system problems, and focus attention on areas where customer service and functional training or

changes in existing operations will improve service delivery.

Dated: July 30, 2013.
