Certain Pasta From Italy: Antidumping Duty Administrative Review; 2011-2012

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to requests from interested parties, the Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on certain pasta (pasta) from Italy,¹ covering the period July 1, 2011, through June 30, 2012. The review covers two mandatory respondents, Pastificio Gallo Natale & F.lli S.r.L. (Gallo) and Rummo S.p.A. Molino e Pastificio and its affiliates Rummo S.p.A., Lenta Lavorazione, and Pasta Castiglioni (collectively, Rummo), and six non-selected companies.² We preliminarily determine that Gallo and Rummo made sales of subject merchandise at less than normal value during the period of review (POR). Interested parties are invited to comment on these preliminary results.

DATES: *Effective Date:* August 7, 2013.

FOR FURTHER INFORMATION CONTACT: Stephanie Moore (Gallo) or George McMahon (Rummo), AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-3692 or (202) 482-1167, respectively.

Scope of the Order

Imports covered by the order are shipments of certain non-egg dry pasta.

¹ See *Notice of Antidumping Duty Order and Amended Final Determination of Sales at Less Than Fair Value: Certain Pasta From Italy*, 61 FR 38547 (July 24, 1996) (*AD Order*).

² The non-selected companies are: Alberto Poiatti S.p.A (Poiatti); Delverde Industrie Alimentari S.p.A (Delverde); Fiamma Vesuviana S.r.L (Fiamma); Pastificio Zaffiri S.r.L (Zaffiri); Tandoi Filippo e Adalberto Fratelli S.p.A (Tandoi); and Valdigrano di Flavio Pagani S.r.L (Valdigrano). The Department is currently conducting a changed circumstances review of Delverde to determine whether Delverde is the successor-in-interest to a company that was excluded from the *AD Order*. The Department issued a partial rescission notice in which it rescinded this administrative review, in part, with respect to Industria Alimentare Colavita, S.p.A (Indalco) and Pasta Lensi S.r.L (Lensi). We also rescinded, in part, this administrative review with respect to Pastificio Attilio Mastromauro-Pasta Granoro S.r.L (Granoro) because this company has been revoked from the antidumping duty order effective prior to the beginning of this period of review. See *Certain Pasta From Italy: Notice of Partial Rescission of Antidumping Duty Administrative Review*, 78 FR 20091 (April 3, 2013).

The merchandise subject to review is currently classifiable under items 1901.90.90.95 and 1902.19.20 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise subject to the order is dispositive.³

SUPPLEMENTARY INFORMATION:

Methodology

The Department has conducted this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Constructed export price or Export Price is calculated in accordance with section 772 of the Act. Normal Value is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our preliminary results, see Preliminary Decision Memorandum dated concurrently with this notice and hereby adopted by this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Import Administration's Antidumping and Countervailing Duty Centralized Electronic Service System (IA ACCESS). IA ACCESS is available to registered users at <http://iaaccess.trade.gov>, and is available to all parties in the Central Records Unit, room 7046 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the internet at <http://www.trade.gov/ia/>. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Preliminary Results of the Review

As a result of this review, we preliminarily determine the following weighted-average dumping margins⁴ for

⁴ The rate applied to the non-selected companies is a weighted-average percentage margin calculated based on the publicly-ranged U.S. volumes of the two reviewed companies with an affirmative dumping margin, for the period July 1, 2011, through June 30, 2012. See Memorandum to the File, titled, "Certain Pasta from Italy: Margin for Respondents Not Selected for Individual Examination," from George McMahon and Stephanie Moore, Case Analysts, through Eric B. Greynolds, Program Manager, dated concurrently with this notice.

Disclosure and Public Comment

The Department will disclose to parties to this proceeding the calculations performed in reaching the preliminary results within five days of the date of publication of these preliminary results.⁵ The Department will announce the briefing schedule to interested parties at a later date. Interested parties may submit written comments (case briefs) on the deadline that the Department will announce and rebuttal comments (rebuttal briefs) within five days after the time limit for filing case briefs.⁶ Pursuant to 19 CFR 351.309(d)(2), rebuttal briefs must be limited to issues raised in the case briefs. Parties who submit comments are requested to submit: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities. All briefs must be filed electronically using IA ACCESS. An electronically filed document must be received successfully in its entirety by the Department's electronic records system, IA ACCESS.

Interested parties who wish to request a hearing, or to participate if one is requested, must submit a written request to the Assistant Secretary for Import Administration, U.S. Department of Commerce, using Import Administration's IA ACCESS system.⁷ Requests should contain the party's name, address, and telephone number, the number of participants, and a list of the issues to be discussed. If a request for a hearing is made, we will inform parties of the scheduled date for the hearing which will be held at the U.S. Department of Commerce, 14th Street

⁵ See 19 CFR 351.224(b).

⁶ See 19 CFR 351.309(c)(1)(ii) and (d)(1).

⁷ See 19 CFR 351.310(c).

and Constitution Avenue NW., Washington, DC 20230, at a time and location to be determined.⁸ Parties should confirm by telephone the date, time, and location of the hearing.

Unless the deadline is extended pursuant to section 751(a)(2)(B)(iv) of the Act, the Department will issue the final results of this administrative review, including the results of our analysis of the issues raised by the parties in their case briefs, within 120 days after issuance of these preliminary results.

Assessment Rate

Upon issuance of the final results, the Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review. If the weighted-average dumping margin for Gallo or Rummo is not zero or *de minimis* (i.e., less than 0.5 percent), we will calculate importer-specific *ad valorem* antidumping duty assessment rates based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is not zero or *de minimis*. Where either the respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review where applicable.

The Department clarified its "automatic assessment" regulation on May 6, 2003. This clarification will apply to entries of subject merchandise during the POR produced by each respondent for which they did not know that their merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction. For a full discussion of this clarification, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

⁸ See 19 CFR 351.310.

We intend to issue instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication of the final results of this administrative review, as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for respondents noted above will be the rate established in the final results of this administrative review; (2) for merchandise exported by manufacturers or exporters not covered in this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the manufacturer of the subject merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 15.45 percent, the all-others rate established in the antidumping investigation as modified by the section 129 determination.⁹ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and increase the subsequent assessment of the antidumping duties by the amount of antidumping duties reimbursed.

These preliminary results of review are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: July 30, 2013.

Assistant Secretary for Import Administration.
