MILLENNIUM CHALLENGE CORPORATION

[MCC FR 13-04]

Notice of Entering into a Compact with Georgia

AGENCY: Millennium Challenge Corporation.
ACTION: Notice.

SUMMARY: In accordance with Section 610(b)(2) of the Millennium Challenge Act of 2003 (Pub. L. 108-199, Division D), the Millennium Challenge Corporation (MCC) is publishing a summary and the complete text of the Millennium Challenge Compact between the United States of America, acting through the Millennium Challenge Corporation, and Georgia. Representatives of the United States Government and Georgia executed the Compact documents on July 26, 2013.

Dated: August 2, 2013.
Melvin F. Williams, Jr.,
VP/General Counsel and Corporate Secretary, Millennium Challenge Corporation.

Summary of Millennium Challenge Compact with Georgia

The Millennium Challenge Corporation's Board of Directors (the "Board") has approved a five-year, \$140,000,000 compact with the Government of Georgia aimed at reducing poverty through economic growth (the "Compact"). The Compact seeks to address one of Georgia's most binding constraints to economic growth, the quality of human capital, through investments in science and technology education and workforce development. MCC's investments are designed to build on Georgia's previous compact and reforms that the Government of Georgia has undertaken in the education sector. All projects have estimated economic rates of return above MCC's hurdle rate of 10 percent.

1. Background

Georgia's first \$395 million compact, which was completed in April 2011, focused on addressing the basic needs of Georgians through investments in infrastructure (roads, water networks and energy rehabilitation) and rural private enterprise development through a grant program and separate investment fund. As the first compact concluded, Georgia was determined by the Board as eligible for a second compact in January
