Applicants' Representations

1. Wells Fargo Bank is a national banking association wholly-owned, directly and indirectly, by Wells Fargo & Company ("Wells Fargo"). Through its direct and indirect subsidiaries, Wells Fargo, a registered financial holding company and bank holding company under the Bank Holding Company Act of 1956, as amended, offers banking, brokerage, advisory and other financial services to institutional and individual customers worldwide. Wells Fargo also is the ultimate parent of the other Applicants, who, as direct or indirect, majority-owned or wholly-owned, subsidiaries of the same ultimate parent, are, or may be considered to be, under common control with Wells Fargo Bank.

2. Abbot Downing Investment Advisors and Wells Capital Management Singapore, each a separately identifiable department within Wells Fargo Bank and each registered as an investment adviser under the Investment Advisers Act of 1940 ("Advisers Act"), serve as investment advisers to one or more Funds (as defined below). Alternative

¹ Applicants request that any relief granted pursuant to the application also apply to any other company of which Wells Fargo Bank is or may become an affiliated person within the meaning of section 2(a)(3) of the Act (together with the Applicants, the "Covered Persons").

Strategies, First International, Galliard, Golden Capital, Metropolitan West, Peregrine, Wells Capital Management, and WF Funds Management are registered as investment advisers under the Advisers Act and serve as investment advisers or sub-advisers to various Funds. Alternative Strategies Brokerage and WF Funds Distributor are registered as broker-dealers under the Securities Exchange Act of 1934, and each serves as principal underwriter to various Funds. “Fund” means any registered investment company, including a registered unit investment trust (“UIT”) or registered face amount certificate company, as well as any business development company (“BDC”) or employees’ securities company (“ESC”). “Fund Servicing Activities” means acting as an adviser, sub-adviser or depositor to Funds, or principal underwriter for any registered open-end investment company, UIT, registered face amount company or ESC.

3. On May 14, 2013, the United States District Court for the Northern District of California issued an order (the “Court Order”) in a certified consumer class action under Section 17200 of the California Business and Professions Code relating to a Wells Fargo Bank bookkeeping device known as “high-to-low” posting.² The plaintiffs in the class action alleged that Wells Fargo Bank, without adequate disclosure to account holders, posted debit card transactions received each day for payment beginning with the highest amount and ending with the lowest amount (*i.e.*, high-to-low), which could have the effect of increasing the number of items posting into overdraft and, therefore, increased overdraft fees.³ While the plaintiffs’ challenge to the practice of high-to-low posting and to the adequacy of the bank’s disclosures was found to be preempted by the National Bank Act, Wells Fargo Bank was found liable under the California law for making misleading statements regarding the practice.⁴ The Court Order enjoined Wells Fargo Bank from making or disseminating, or permitting to be made or disseminated, any false or misleading representations relating to the posting order of debit-card purchases, checks, and ACH transactions in its customer bank accounts (the “Injunction”). The Court Order set July 15, 2013, as the effective date of the Injunction.

² *Gutierrez v. Wells Fargo Bank, N.A.*, Case No. C 07–05923 WHA (N.D. Cal., May 14, 2013) (granting in part and denying in part motion for judgment following remand).

Applicants’ Legal Analysis

1. Section 9(a)(2) of the Act, in relevant part, prohibits a person who has been enjoined from acting as a bank, or from engaging in or continuing any conduct or practice in connection with such activity, from acting, among other things, as an investment adviser or depositor of any registered investment company, or as a principal underwriter for any registered open-end investment company, UIT or registered face-amount certificate company. Section 9(a)(3) of the Act extends the prohibitions of section 9(a)(2) to a company any affiliated person of which has been disqualified under the provisions of section 9(a)(2). Section 2(a)(3) of the Act defines “affiliated person” to include, among others, any person directly or indirectly controlling, controlled by, or under common control with, the other person. Applicants state that Wells Fargo Bank is, or may be considered to be, under common control with and therefore an affiliated person of each of the other Applicants. Applicants state that the Injunction may result in Applicants being subject to the disqualification provisions of section 9(a) of the Act because Wells Fargo Bank is enjoined from engaging in or continuing certain conduct and/or practices in connection with its banking activity.⁵

2. Section 9(c) of the Act provides that the Commission shall grant an application for exemption from the disqualification provisions of section 9(a) if it is established that these provisions, as applied to Applicants, are unduly or disproportionately severe or that the Applicants’ conduct has been such as not to make it against the public interest or the protection of investors to grant the exemption. Applicants have filed an application pursuant to section 9(c) seeking temporary and permanent orders exempting the Applicants and the other Covered Persons from the disqualification provisions of section 9(a) of the Act. On July 15, 2013, Applicants received a temporary conditional order from the Commission exempting them from section 9(a) of the Act with respect to the Injunction from July 15, 2013 until the Commission takes final action on an application for a permanent order or, if earlier, September 13, 2013.

3. Applicants believe they meet the standard for exemption specified in section 9(c). Applicants state that the prohibitions of section 9(a) as applied to

⁵ Applicants believe that the conduct and/or practices covered by the Injunction could be deemed to be in connection with Wells Fargo Bank’s banking activity.

them would be unduly and disproportionately severe and that the conduct of Applicants has been such as not to make it against the public interest or the protection of investors to grant the exemption from section 9(a).

4. Applicants state that the conduct giving rise to the Injunction did not involve any of the Applicants acting in their capacity as investment adviser, sub-adviser, or principal underwriter for Funds. Applicants also state that the alleged conduct giving rise to the Injunction did not involve any Fund or the assets of any Fund for which they provided Fund Servicing Activities. Applicants further state that to the best of their reasonable knowledge: (i) none of the Applicants’ (other than certain of Wells Fargo Bank’s) current or former directors, officers or employees had any knowledge of, or had any involvement in, the conduct alleged in the Court Order that provided a basis for the Injunction; (ii) the personnel who were involved in the violations have had no involvement in, and will not have any future involvement in, providing advisory, sub-advisory, depository or underwriting services to Funds; and (iii) because the personnel of the Applicants involved in Fund Servicing Activities did not have any involvement in the alleged misconduct, shareholders of Funds that received investment advisory, depository and principal underwriting services from the Applicants were not affected any differently than if those Funds had received services from any other non-affiliated investment adviser, depositor or principal underwriter.

5. Applicants further represent that the inability of Applicants to continue providing Fund Servicing Activities would result in potentially severe financial hardships for both the Funds and their shareholders. Applicants state that they will distribute written materials, including an offer to meet in person to discuss the materials, to the board of directors of each Fund, including the directors who are not “interested persons,” as defined in section 2(a)(19) of the Act, of such Fund, and their independent legal counsel as defined in rule 0–1(a)(6) under the Act, if any, regarding the Injunction, any impact on the Funds, and the application. The Applicants will provide the Funds with all information concerning the Injunction and the application that is necessary for the Funds to fulfill their disclosure and other obligations under the federal securities laws.

6. Applicants also assert that, if the Applicants were barred from engaging in Fund Servicing Activities, the effect

on their businesses and employees would be severe. The Applicants state that they have committed substantial capital and resources to establishing expertise in advising and sub-advising Funds and in support of their principal underwriting business.

7. Applicants state that several Applicants and certain of their affiliates have previously received orders under section 9(c), as described in greater detail in the application.

Applicants' Condition

Applicants agree that any order granted by the Commission pursuant to the application will be subject to the following condition:

Any temporary exemption granted pursuant to the application shall be without prejudice to, and shall not limit the Commission's rights in any manner with respect to, any Commission investigation of, or administrative proceedings involving or against, Covered Persons, including without limitation, the consideration by the Commission of a permanent exemption from section 9(a) of the Act requested pursuant to the application, or the revocation or removal of any temporary exemptions granted under the Act in connection with the application.

Temporary Order

The Commission has considered the matter and finds that Applicants have made the necessary showing to justify granting a temporary exemption.

Accordingly,

It is hereby ordered, pursuant to section 9(c) of the Act, that the Applicants and the other Covered Persons are granted a temporary exemption from the provisions of section 9(a), effective forthwith, solely with respect to the Injunction, subject to the condition in the application, until the date the Commission takes final action on their application for a permanent order.

By the Commission.

Kevin M. O'Neill,

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-70124; File No. SR-NYSEARCA-2013-78]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending NYSE Arca Equities Rule 5.3(i)(1)(i) To Specify the Procedures To Be Followed if a Listed Derivative Securities Product or a Listed Structured Product Is Based on an Index or Portfolio of Securities and Such Index or Portfolio Is Modified or Replaced

August 6, 2013.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that, on July 25, 2013, NYSE Arca, Inc. (the "Exchange" or "NYSE Arca") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend NYSE Arca Equities Rule 5.3(i)(1)(i) to specify the procedures to be followed if a listed Derivative Securities Product or a listed Structured Product is based on an index or portfolio of securities and such index or portfolio is modified or replaced. The text of the proposed rule change is available on the Exchange's Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below,

of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its rules to clarify Exchange policies with respect to changes in the index or portfolio on which a listed security is based. The proposed rule change is consistent with the policies currently applied under existing Exchange rules. In particular, the Exchange proposes to adopt specific procedures to be followed when a Derivative Securities Product⁴ or a Structured Product⁵ based on an index or portfolio of securities is listed on the Exchange and: (1) The value of such index or portfolio is no longer calculated or available and a new index or portfolio is substituted; or (2) such index or portfolio is replaced with a new index or portfolio from the same or a different index provider; or (3) the index or portfolio is significantly modified (including, but not limited to, a significant modification to the index methodology, a change in the index provider or a change in control of the index provider) (each of (1), (2) and (3), a "Material Index or Portfolio Change").

It is the Exchange's long-standing policy to require the issuer of any Derivative Securities Product or Structured Product to submit an executed Supplemental Listing Application and to obtain authorization from NYSE Regulation prior to the effective date of any change in the index or portfolio on which such security is based. Generally, NYSE Regulation requires at least two weeks to review and to approve a Supplemental Listing Application. The Exchange reminds issuers of this policy in an annual reminder letter sent to all listed issuers which summarizes important Exchange corporate governance and notice requirements. This current policy is appropriate in light of NYSE Arca Equities Rule 5.3(i)(1)(i)(N), which requires listed issuers to "provide

⁴ "Derivative Securities Products" are (i) investment company units listed under NYSE Arca Equities Rule 5.2(j)(3) Commentary .01(a)(A)(1) and (ii) securities defined in Section 2 of NYSE Arca Equities Rule 8.

⁵ Pursuant to NYSE Arca Equities Rule 5.1(b)(17), the term "Structured Products" means products that are derived from and/or based on a single security or securities, a basket of stocks, an index, a commodity, debt issuance and/or a foreign currency, among other things. Structured Products include index and equity linked notes, term notes and units generally consisting of a contract to purchase equity and/or debt securities at a specified time.
