

participant to such position as soon as possible, but no later than 90 days after the date that the participant receives his or her degree, or the date the participant obtains any required applicable credentials, whichever is later. If a participant fails to obtain his or her degree, or fails to obtain any required applicable credentials within 180 days after receiving the degree, the participant is considered to be in breach of the acceptance agreement.

(c) *Duration of service.* The participant will agree to serve as a full-time clinical VA employee for 3 calendar years which must be completed no later than 6 years after the participant has completed the program for which the scholarship was awarded and received a degree referenced in § 17.627(a)(1).

(d) *Location and assignment of obligated service.* VA reserves the right to make final decisions on the location and assignment of the obligated service. A participant who receives a scholarship must agree as part of the participant's mobility agreement that he or she is willing to accept the location and assignment where VA assigns the obligated service. Geographic relocation may be required.

(e) *Creditability of advanced clinical training.* No period of advanced clinical training will be credited towards satisfying the period of obligated service incurred under the VIOMPSP.

(Authority: 38 U.S.C. 7504(2)(D), 7504(3))

#### **§ 17.633 Deferment of obligated service.**

Deferment of obligated service under the VIOMPSP is treated in the same manner as deferment of obligated service under the HPSP under § 17.608.

(Authority: 38 U.S.C. 7504(3))

#### **§ 17.634 Failure to comply with terms and conditions of participation.**

(a) *Participant refuses to accept payment of the VIOMPSP.* If a participant, other than one described in paragraph (b) of this section, refuses to accept payment or instructs the school not to accept payment of the VIOMPSP scholarship provided by VA, the participant must, in addition to any obligation incurred under the agreement, pay to the United States the amount of \$1,500 in liquidated damages. Payment of this amount must be made no later than 90 days from the date that the participant fails to accept payment of the VIOMPSP or instructs the school not to accept payment.

(b) *Participant fails to complete course of study or does not obtain certification.* A participant described in paragraphs (b)(1) through (4) of this section must, instead of otherwise

fulfilling the terms of his or her acceptance agreement, pay to the United States an amount equal to all VIOMPSP funds awarded under the acceptance agreement. Payment of this amount must be made no later than 1 year after the date that the participant meets any of the criteria described in paragraphs (b)(1) through (4) of this section, unless VA determines that a longer period is necessary to avoid hardship. No interest will be charged on any part of this indebtedness. A participant will pay such amount if one of the following criteria is met:

(1) The participant fails to maintain an acceptable level of academic standing;

(2) The participant is dismissed from the school for disciplinary reasons;

(3) The participant, for any reason, voluntarily terminates the course of study or program for which the scholarship was awarded including a reduction of course load from full-time to part-time before completing the course of study or program; or

(4) The participant fails to become certified in the discipline for which the degree prepared the participant, if applicable, no later than 180 days after the date such person becomes eligible to apply for certification.

(c) *Participant fails to perform all or any part of their service obligation.* (1) Participants who breach their agreements by failing to begin or complete their service obligation, for any reason, including the loss, revocation, suspension, restriction, or limitation of required certification, and other than provided for under paragraph (b) of this section, must repay the portion of all VIOMPSP funds paid to or on behalf of the participant, adjusted for the service that they provided. To calculate the unearned portion of VIOMPSP funds, subtract the number of months of obligated service rendered from the total months of obligated service owed, divide the remaining months by the total obligated service, then multiply by the total amount of VIOMPSP funds paid to or on behalf of the participant. The following formula may be used in determining the unearned portion:

$A = P((t-s)/t)$  in which  
 "A" is the amount the United States is entitled to recover;  
 "P" is the amounts paid under the VIOMPSP, to or on behalf of the participant;  
 "t" is the total number of months in the participant's period of obligated service; and  
 "s" is the number of months of obligated service rendered.

(2) The amount that the United States is entitled to recover will be paid no

later than 1 year after the date the applicant failed to begin or complete the period of obligated service, as determined by VA.

(Authority: 38 U.S.C. 7505(a), 7505(b))

#### **§ 17.635 Bankruptcy.**

Bankruptcy under the VIOMPSP is treated in the same manner as bankruptcy for the HPSP under § 17.611.

(Authority: 38 U.S.C. 7505(c), 7505(d))

#### **§ 17.636 Cancellation, waiver, or suspension of obligation.**

Cancellation, waiver, or suspension procedures under the VIOMPSP are the same as those procedures for the HPSP under § 17.612.

## DEPARTMENT OF HOMELAND SECURITY

### Federal Emergency Management Agency

#### 44 CFR Part 64

[Docket ID FEMA–2013–0002; Internal Agency Docket No. FEMA–8293]

#### Suspension of Community Eligibility

**AGENCY:** Federal Emergency Management Agency, DHS.

**ACTION:** Final rule.

**SUMMARY:** This rule identifies communities where the sale of flood insurance has been authorized under the National Flood Insurance Program (NFIP) that are scheduled for suspension on the effective dates listed within this rule because of noncompliance with the floodplain management requirements of the program. If the Federal Emergency Management Agency (FEMA) receives documentation that the community has adopted the required floodplain management measures prior to the effective suspension date given in this rule, the suspension will not occur and a notice of this will be provided by publication in the **Federal Register** on a subsequent date. Also, information identifying the current participation status of a community can be obtained from FEMA's Community Status Book (CSB). The CSB is available at <http://www.fema.gov/fema/csb.shtm>.

**DATES:** *Effective Dates:* The effective date of each community's scheduled suspension is the third date ("Susp.") listed in the third column of the following tables.

**FOR FURTHER INFORMATION CONTACT:** If you want to determine whether a particular community was suspended on the suspension date or for further

information, contact David Stearrett, Federal Insurance and Mitigation Administration, Federal Emergency Management Agency, 500 C Street SW., Washington, DC 20472, (202) 646–2953.

**SUPPLEMENTARY INFORMATION:** The NFIP enables property owners to purchase Federal flood insurance that is not otherwise generally available from private insurers. In return, communities agree to adopt and administer local floodplain management measures aimed at protecting lives and new construction from future flooding. Section 1315 of the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4022, prohibits the sale of NFIP flood insurance unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed in this document no longer meet that statutory requirement for compliance with program regulations, 44 CFR Part 59. Accordingly, the communities will be suspended on the effective date in the third column. As of that date, flood insurance will no longer be available in the community. We recognize that some of these communities may adopt and submit the required documentation of legally enforceable floodplain management measures after this rule is published but prior to the actual suspension date. These communities will not be suspended and will continue to be eligible for the sale of NFIP flood insurance. A notice withdrawing the suspension of such communities will be published in the **Federal Register**.

In addition, FEMA publishes a Flood Insurance Rate Map (FIRM) that identifies the Special Flood Hazard Areas (SFHAs) in these communities. The date of the FIRM, if one has been published, is indicated in the fourth column of the table. No direct Federal financial assistance (except assistance pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act not in connection with a flood) may be provided for construction or acquisition of buildings in identified SFHAs for communities not participating in the NFIP and identified for more than a year on FEMA's initial FIRM for the community as having flood-prone areas (section 202(a) of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4106(a), as amended). This prohibition against certain types of Federal assistance becomes effective for the communities listed on the date shown in the last column. The Administrator finds that notice and public comment procedures under 5 U.S.C. 553(b), are impracticable and

unnecessary because communities listed in this final rule have been adequately notified.

Each community receives 6-month, 90-day, and 30-day notification letters addressed to the Chief Executive Officer stating that the community will be suspended unless the required floodplain management measures are met prior to the effective suspension date. Since these notifications were made, this final rule may take effect within less than 30 days.

**National Environmental Policy Act.** This rule is categorically excluded from the requirements of 44 CFR Part 10, Environmental Considerations. No environmental impact assessment has been prepared.

**Regulatory Flexibility Act.** The Administrator has determined that this rule is exempt from the requirements of the Regulatory Flexibility Act because the National Flood Insurance Act of 1968, as amended, Section 1315, 42 U.S.C. 4022, prohibits flood insurance coverage unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed no longer comply with the statutory requirements, and after the effective date, flood insurance will no longer be available in the communities unless remedial action takes place.

**Regulatory Classification.** This final rule is not a significant regulatory action under the criteria of section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

**Executive Order 13132, Federalism.** This rule involves no policies that have federalism implications under Executive Order 13132.

**Executive Order 12988, Civil Justice Reform.** This rule meets the applicable standards of Executive Order 12988.

**Paperwork Reduction Act.** This rule does not involve any collection of information for purposes of the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*
