SUPPLEMENTARY INFORMATION:

Section A. Background

On October 20, 1999, the Commission issued its final Rule¹ pursuant to the Children's Online Privacy Protection Act, 15 U.S.C. 6501 *et seq.*, which became effective on April 21, 2000.² On December 19, 2012, the Commission amended the Rule, and these amendments became effective on July 1, 2013.³ The Rule requires certain Web site operators to post privacy policies and provide notice, and to obtain verifiable parental consent, prior to collecting, using, or disclosing personal information from children under the age of 13. The Rule enumerates methods for obtaining verifiable parental consent, while also allowing an interested party to file a written request for Commission approval of parental consent methods not currently enumerated.⁴ To be considered, the party must submit a detailed description of the proposed parental consent method, together with an analysis of how the method meets the requirements for parental consent described in 16 CFR 312.5(b)(1).

Pursuant to Section 312.12(a) of the Rule, AssertID has submitted a proposed parental consent method to the Commission for approval. The full text of its application is available on the Commission's Web site at www.ftc.gov.

Section B. Questions on the Parental Consent Method

The Commission is seeking comment on the proposed parental consent method, and is particularly interested in receiving comment on the questions that follow. These questions are designed to assist the Commission's consideration of the petition and should not be construed as a limitation on the issues on which public comment may be submitted. Responses to these questions should cite the number of the question being answered. For all comments submitted, please provide any relevant data, statistics, or any other evidence, upon which those comments are based.

1. Is this method already covered by existing methods enumerated in Section 312.5(b)(1) of the Rule?

2. If this is a new method, provide comments on whether the proposed parental consent method meets the requirements for parental consent laid

out in 16 CFR § 312.5(b)(1). Specifically, the Commission is looking for comments on whether the proposed parental consent method is reasonably calculated, in light of available technology, to ensure that the person providing consent is the child's parent.

3. Does this proposed method pose a risk to consumers' personal information? If so, is that risk outweighed by the benefit to consumers and businesses of using this method?

Section C. Invitation to Comment

You can file a comment online or on paper. For the Commission to consider your comment, we must receive it on or before September 20, 2013. Write "AssertID Application for Parental Consent Method, Project No. P-135415" on your comment. Attachment—Summary of Market Tests

I. Introduction

The Commission proposes to establish rules governing market tests of experimental products to implement the requirements of the standards for market tests established by Congress in 39 U.S.C. 3641.

II. Statutory Authority

The Postal Accountability and Enhancement Act (PAEA)¹ authorizes the Postal Service to conduct market tests of experimental products. See 39 U.S.C. 3641(a)(1). Such tests are not subject to 39 U.S.C. 3622, 3633, or 3642, or regulations promulgated thereunder. *Id.* 3642(a)(2). An experimental product may not be tested unless it satisfies each of the following conditions:

- Significantly different product: The product is, from the viewpoint of the mail users, significantly different from all products offered by the Postal Service within the 2-year period preceding the start of the test.

- Market disruption: The introduction or continued offering of the product will not create an unfair or otherwise inappropriate competitive advantage for the Postal Service or any mailer, particularly in regard to small business concerns.

- Correct categorization: The Postal Service identifies the product, for the purpose of a test, as either market-dominant or competitive.

39 U.S.C. 3641(b).

The Postal Service must file notice with the Commission and publish the notice in the **Federal Register** at least 30 days before initiating a market test. *Id.* 3641(c)(1). The notice must describe the nature and scope of the market test and explain why the Postal Service believes that the market test is covered by section 3641. *Id.* 3641(c)(1)(A) and (B).
