The Substance Abuse and Mental Health Services Administration/Center for Substance Abuse Prevention (SAMHSA/CSAP) is requesting a revision from the Office of Management and Budget (OMB) of the information collection regarding the Assessment of the Town Hall Meetings (THMs) on Underage Drinking Prevention. The current data collection has approval under OMB No. 0930–0288, which expires on November 30, 2013. The assessment will continue to collect data through two existing data collection instruments: The Organizer Survey and the Participant Form.

*Clarifications*

Two questions were dropped from the Organizer Survey, thus bringing the total number of questions to 30. Additionally, 10 questions have been updated to provide clarification on the intent of the questions. The following table provides a summary of the proposed question clarifications and the questions that were deleted from the Organizer Survey.

Current question/item	Clarification	Rationale for clarification
q5—Did you collaborate with other organizations to coordinate the THM event? [No change to response options]	q5—Did any other community-based organization (e.g., business, school) collaborate with your organization/coalition in hosting this event?	Clarifies the point of question, which is community involvement beyond the host organization.
