### I. Determination Regarding TUV SUD America, Inc.

TUV SUD America, Inc., (TUVAM) requested that OSHA delete three test standards (see Exhibit 1) from its scope of recognition. Subsection II.D of Appendix A to 29 CFR 1910.7 provides that OSHA must inform the public of such a reduction in scope. Accordingly, OSHA hereby notifies the public that it is deleting the test standards (1) UL 551 Transformer-type Arc-welding Machine, (2) UL 1484 Residential Gas Detectors, and (3) UL 1662 Electric Chain Saws from TUVAM’s scope of recognition as of August 23, 2013. As of August 23, 2013, OSHA will no longer accept certifications by TUVAM that products conform to UL 551, UL1484, or UL 1662. OSHA will delete these standards from TUVAM’s scope of recognition on the OSHA Web page.

TUVAM must notify those NRTL clients for which TUVAM certified that the clients’ products conformed to UL 551, UL 1484, and UL 1662 that TUVAM’s scope of recognition no longer includes these standards. TUVAM’s notification to each affected client also must inform the client that it must now obtain its product-certification services, with respect to UL 551, UL 1484, and UL 1662, from an NRTL with a scope of recognition that continues to include these standards. TUVAM’s notification to each affected client must be in writing and received by the client within two weeks of the date of this notice.

### II. Authority and Signature

### NATIONAL FOUNDATION FOR THE ARTS AND THE HUMANITIES

#### Submission for OMB Review, Comment Request, Proposed Collection: State Library Administrative Agencies Survey, FY 2014–2016

**AGENCY:** Institute of Museum and Library Services, National Foundation for the Arts And the Humanities.

**ACTION:** Submission for OMB Review, Comment Request.

**SUMMARY:** The Institute of Museum and Library Services (IMLS), as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act (44 U.S.C. 3501 et seq.). This pre-clearance consultation program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed.

A copy of the proposed information collection request can be obtained by contacting the individual listed below in the **ADDRESSES** section of this notice.

**DATES:** Written comments must be submitted to the office listed in the Contact section below on or before September 23, 2013.

OMB is particularly interested in comments that help the agency to:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used;
- Enhance the quality, utility and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g. permitting electronic submissions of responses.

**ADDRESSES:** Deanne Swan, Senior Statistician, Office of Planning, Research, and Evaluation, Institute of

Museum and Library Services, 1800 M St., NW., 9th Floor, Washington, DC 20036. Dr. Swan can be reached by Telephone: 202–653–4769, Fax: 202–653–4601, or by email at [dswan@imls.gov](mailto:dswan@imls.gov), or by teletype (TTY/TDD) for persons with hearing difficulty at 202–653–4614.

#### SUPPLEMENTARY INFORMATION:

The Institute of Museum and Library Services is the primary source of federal support for the Nation’s 123,000 libraries and 17,500 museums. The Institute’s mission is to create strong libraries and museums that connect people to information and ideas. The Institute works at the national level and in coordination with state and local organizations to sustain heritage, culture, and knowledge; enhance learning and innovation; and support professional development. IMLS is responsible for identifying national needs for, and trends in, museum, library, and information services; measuring and reporting on the impact and effectiveness of museum, library, and information services throughout the United States, including programs conducted with funds made available by IMLs; identifying, and disseminating information on, the best practices of such programs; and developing plans to improve museum, library, and information services of the United States and strengthen national, State, local, regional, and international communications and cooperative networks. (20 U.S.C. 9108).

*Abstract:* The State Library Administrative Agencies Survey has been conducted by the Institute of Museum and Library Services under the clearance number 3137–0072, which expires 10/31/2013.
