This information collection is published to obtain comments from the public. The NCUA rules and regulations, place a maximum borrowing limit on federally insured credit unions. State chartered federally insured credit unions must seek a waiver of the borrowing limit from the NCUA Regional Director prior to exceeding this limitation.

SUPPLEMENTARY INFORMATION:

I. Abstract and Request for Comments

NCUA is reinstating the collection for 3133-0168. The collection of information requirement is for those state chartered federal insured credit unions seeking a waiver from the borrowing limit. These credit unions must submit a detailed safety and soundness analysis, a proposed aggregate amount, a letter from the state regulator approving the request and an explanation of the need for the waiver to the NCUA Regional Director. This collection of information is necessary to protect the National Credit Union Share Insurance Fund ("Fund"). The NCUA Board has determined that borrowing in excess of 50 percent of paid-in and unimpaired capital and surplus may cause an undue risk to the Fund and a loss of confidence in the credit union system. The NCUA must be made aware of and be able to monitor those credit unions seeking a waiver from the

requirement. There is no change in burden hours from previous submission.

The NCUA requests that you send your comments on this collection to the location listed in the addresses section. Your comments should address: (a) The necessity of the information collection for the proper performance of NCUA, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents such as through the use of automated collection techniques or other forms of information technology. It is NCUA's policy to make all comments available to the public for review.

SUPPLEMENTARY INFORMATION:

I. Abstract and Request for Comments

NCUA is reinstating a previously approved collection of information for 12 CFR part 708b, Mergers of Federally Insured Credit Unions; Voluntary Termination or Conversion of Insured Status. The Federal Credit Union Act (Act) authorizes the NCUA Board to prescribe rules regarding mergers of federally-insured credit unions and changes in insured status and requires written approval of the Board before one or more federally-insured credit union(s) merge or before a federally-insured credit union terminates federal

share insurance or converts to nonfederal share insurance. 12 U.S.C. 1752(7), 1766(a), 1785(b), 1785(c), and 1789(a). Part 708b of NCUA's Rules and Regulations sets forth the procedural and disclosure requirements for mergers of federally-insured credit unions, federal share insurance terminations, and conversions from federal share insurance to nonfederal (private) insurance. The rule is designed to ensure NCUA has sufficient information to determine whether to approve a proposed merger, share insurance termination, or share insurance conversion. It further ensures that members of credit unions have sufficient and accurate information to exercise their vote properly concerning a proposed merger, insurance termination, or insurance conversion. The rule also protects the property interests of members who may lose their federal share insurance due to a merger, share insurance termination, or share insurance conversion. 12 CFR part 708b.

The categories of burden for credit unions complying with part 708b may include the following:

Mergers

Each year, there are approximately 240 mergers involving federally-insured credit unions (both natural person and corporate credit unions). NCUA estimates it will take two merging credit unions approximately 35 hours between them to:

- a. Prepare the required merger documents (§ 708b.103);
- b. Collect and submit the required information to NCUA (§ 708b.104);
- c. Provide the required insurance disclosures in other communications that the credit union plans to send to its members if the merger involves a share insurance conversion (§ 708b.206);
- d. Notify members of the merger and send them the ballot (§§ 708b.106, 708b.303(a), 708b.303(b));
- e. Notify NCUA of the results of the merger vote (§§ 708b.107, 708b.303(c));
- f. Notify NCUA of the merger's completion (§ 708b.108); and
- g. Notify members of the results of the merger and the possible effect on their insurance coverage (§ 708b.101(e)).

The 240 respondents (the two merging credit unions together treated as one respondent) times 35 hours per respondent equals 8,400 total annual burden hours associated with this collection of information.

Share Insurance Termination

Typically, no credit unions each year engage in share insurance terminations. If one or more credit unions were to engage in a voluntary termination of

insurance in the future, NCUA estimates there will be minimal burden in the form of collections of information on those credit unions. NCUA estimates it will take each credit union approximately 12 hours to:

- a. Prepare the required termination documents and submit the required information to NCUA (§ 708b.201);
- b. Notify the members and send them the ballot (§ 708b.202);
- c. Provide the required insurance disclosures in other communications that the credit union plans to send to its members (§ 708b.206);
- d. Notify NCUA of the results of the termination vote (§ 708b.201(d)(2)); and
- e. Provide members notice of termination of insurance (§ 708b.202(c)).

Zero respondents times 12 hours per respondent equals zero total annual burden hours associated with this collection of information.

Share Insurance Conversions

Approximately two credit unions each year engage in private share insurance conversions outside of the merger context. NCUA estimates there will be minimal burden in the form of collections of information, since NCUA provides forms and form language in the regulation. NCUA estimates that it will take each credit union approximately 12 hours to:

- a. Prepare the required conversion documents and submit the required information to NCUA (§§ 708b.203, 708b.301(a));
- b. Notify members of the conversion and send them the ballot (§§ 708b.204, 708b.301(b) and (c));
- c. Provide the required insurance disclosures in other communications that the credit union plans to send to its members (§ 708b.206);
- d. Notify NCUA of the results of the conversion vote (§ 708b.301(d)); and
- e. Provide members notice of conversion of insurance (§ 708b.204(c)).

Two respondents times 12 hours per respondent equals 24 total annual burden hours associated with this collection of information.

The NCUA requests that you send your comments on this collection for Part 708b to the locations listed in the addresses section. Your comments should address: (a) The necessity of the information collection for the proper performance of NCUA, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility, and clarity of the information to

be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents such as through the use of automated collection techniques or other forms of information technology. It is NCUA's policy to make all comments available to the public for review.
