

capabilities to support continued and substantial participation, possibly due to economic, regulatory, or other barriers. To be eligible to participate in the western Pacific community development program, a community must meet the criteria set forth in 50 CFR part 665.20, and submit a community development plan that describes the purposes and goals of the plan, the justification for proposed fishing activities, and the degree of involvement by the indigenous community members, including contact information.

This collection of information provides NMFS and the Western Pacific Fishery Management Council with data to determine whether a community that submits a community development plan meets the regulatory requirements for participation in the program, and whether the activities proposed under the plan are consistent with the intent of the program, the Magnuson-Stevens Fishery Conservation and Management Act, and other applicable laws. The information is also important for evaluating potential impacts of the proposed community development plan activities on fish stocks, endangered species, marine mammals, and other components of the affected environment for the purposes of compliance with the National Environmental Policy Act, the Endangered Species Act and other applicable laws.

Affected Public: Business or other for-profit organizations.

Frequency: On occasion.

Respondent's Obligation: Required to obtain or maintain benefits.

Foreign-Trade Zones Board

[B-37-2013]

Foreign-Trade Zone 26—Atlanta, Georgia, Authorization of Production Activity PBR, Inc. d/b/a SKAPS Industries (Polypropylene Geotextiles), Athens, Georgia

On April 8, 2013, Georgia Foreign-Trade Zone, Inc., grantee of FTZ 26, submitted a notification of proposed production activity to the Foreign-Trade Zones (FTZ) Board on behalf of PBR, Inc. d/b/a SKAPS Industries (SKAPS Industries), in Athens, Georgia.

The notification was processed in accordance with the regulations of the FTZ Board (15 CFR part 400), including notice in the **Federal Register** inviting public comment (78 FR 25253, 4-30-2013). The FTZ Board has determined that no further review of the activity is warranted at this time. The production activity described in the notification is authorized for an initial period of five years (to 8-23-2018), subject to the FTZ Act and the FTZ Board's regulations, including Section 400.14, and further

subject to a restriction requiring that SKAPS Industries admit all foreign-status polypropylene fiber to the zone under privileged foreign status (19 CFR 146.41)

Dated: August 23, 2013.

Andrew McGilvray,

Executive Secretary.

International Trade Administration

Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Advance Notification of Sunset Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

Background

Every five years, pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"), the Department of Commerce ("the Department") and the International Trade Commission automatically initiate and conduct a review to determine whether revocation of a countervailing or antidumping duty order or termination of an investigation suspended under section 704 or 734 of the Act would be likely to lead to continuation or recurrence of dumping or a countervailable subsidy (as the case may be) and of material injury.

Upcoming Sunset Reviews for October 2013

The following Sunset Reviews are scheduled for initiation in October 2013 and will appear in that month's Notice of Initiation of Five-Year Sunset Review ("Sunset Review").
