

soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Student Assistance General Provisions—Satisfactory Academic Progress Policy.

OMB Control Number: 1845–0108.

Type of Review: An extension of an existing information collection.

Respondents/Affected Public: Individuals or households, Private Sector, State, Local, or Tribal Governments.

Total Estimated Number of Annual Responses: 37,160,441.

Total Estimated Number of Annual Burden Hours: 1,627,616.

Abstract: This request is for an extension of the current approval of the policies and procedures for determining satisfactory academic progress (SAP) as required in Section 484 of the Higher Education Act of 1965, as amended (HEA). These regulations identify the policies and procedures to ensure that students are making satisfactory academic progress in their program at a pace and a level to receive or continue to receive Title IV, HEA program funds. If there is lapse in progress, the policy must identify how the student will be notified and what steps are available to a student not making satisfactory academic progress toward the completion of their program, and under what conditions a student who is not making satisfactory academic progress may continue to receive Title IV, HEA program funds.

SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the

Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Annual Performance Report and Certification of Financial Need for the Jacob K. Javits Fellowship Program.

OMB Control Number: 1840–0630.

Type of Review: An extension of an existing information collection.

Respondents/Affected Public: Private Sector.

Total Estimated Number of Annual Responses: 51.

Total Estimated Number of Annual Burden Hours: 204.

Abstract: The Jacob K. Javits Fellowship Program is authorized by Title VII, Part A, Subpart 1 of the Higher Education Act of 1965, as amended and provides up to four years of financial assistance to students to undertake graduate study at the doctoral and Master of Fine Arts level in selected fields of arts, humanities, and social sciences. Fellows are selected on the basis of (1) superior academic ability demonstrated by their achievements and exceptional promise; and (2) financial need. The amounts of new and continuing awards are based on a student's financial need as determined by the Title IV, Part F needs analysis system. Each individual fellow's need must be assessed and reported each year, along with a continuing fellow's academic progress as determined by the institution. This collection is completed annually by grantee institutions to report on the fellows' progress and levels of financial need for the next academic year. ED uses this data to calculate fellowship amounts and the total grant amount sent to each institution for each fiscal year.

Dated: August 28, 2013.
