In accordance with Section 223 of the Trade Act of 1974, as amended (“Act”), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on February 13, 2013, applicable to workers of YP Western Directory LLC, San Francisco Division, Publishing Operations Group, YP Subsidiary Holdings LLC, PY LLC, YP Holdings LLC, including on-site leased workers from Zero Chaos, San Francisco, California. The workers are engaged in activities related to the supply of publishing operations services. Workers within the Publishing Operations Group are separately identifiable from other business units within YP Western Directory LLC. Therefore, the certification is limited to only those workers within the Publishing Operations Group who are located at (or report to) San Francisco, California. The notice was published in the **Federal Register** on February 25, 2013 (78 FR 12796).

At the request of a company official, the Department reviewed the certification for workers of the subject firm.

New information shows that Pleasanton, California is a sister facility of the San Francisco, California location of the subject firm. Both facilities are engaged in activities related to the supply of publishing operations services, and have experienced worker separations during the relevant time period due to a shift in these services to a foreign country.

Accordingly, the Department is amending the certification to include workers of the Pleasanton, California location of YP Western Directory LLC.

The amended notice applicable to TA-W-82,326 is hereby issued as follows:

“All workers of YP Western Directory LLC, San Francisco Division, Publishing Operations Group, YP Subsidiary Holdings LLC, YP LLC, YP Holdings LLC, including on-site leased workers from Zero Chaos, San Francisco, California (TA-W-82,326), and YP Western Directory LLC, San Francisco Division, Publishing Operations Group, YP Subsidiary Holdings LLC, YP LLC, YP Holdings LLC, including on-site leased workers from Zero Chaos, Pleasanton, California (TA-W-82,326A), who became totally or partially separated from employment on or after January 8, 2012, through February 13, 2015, and all workers in the group threatened with total or partial separation from employment on the date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.”

Signed in Washington, DC, this 22nd day of August 2013.

**Abbott Laboratories; Diagnostic—Hematology; Including On-Site Leased Workers From Manpower Service Group and ATR International; Santa Clara, California; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974, as amended (“Act”), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on February 22, 2013, applicable to workers of Abbott Laboratories, Diagnostic—Hematology division, including on-site leased workers from Manpower Service Group, Santa Clara, California. The Department’s notice of determination was published in the **Federal Register** on March 8, 2013 (78 FR 15050).

At the request of the U.S. Department of Labor, the Department reviewed the certification for workers of the subject firm. The workers were engaged in activities related to the production of hematology reagents and instruments.

The company reports that workers leased from ATR International were

employed on-site at the Santa Clara, California location of Abbott Laboratories, Diagnostic—Hematology Division. The Department has determined that these workers were sufficiently under the control of the subject firm to be considered leased workers.

Based on these findings, the Department is amending this certification to include workers leased from ATR International working on-site at the Santa Clara, California location of Abbott Laboratories, Diagnostic—Hematology division.

The amended notice applicable to TA-W-82,379 is hereby issued as follows:

“All workers of ATR International, reporting to Abbott Laboratories, Diagnostic—Hematology division, including on-site leased workers from Manpower Service Group, Santa Clara, California, who became totally or partially separated from employment on or after January 28, 2012, through February 22, 2015, and all workers in the group threatened with total or partial separation from employment on the date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.”
