Dated: September 13, 2013.

Arne Duncan,

Secretary of Education.

For the reasons discussed in the preamble, the Secretary proposes to amend 34 CFR part 300 as follows:

PART 300—ASSISTANCE TO STATES FOR THE EDUCATION OF CHILDREN WITH DISABILITIES

- 1. The authority citation for part 300 continues to read as follows:

Authority: 20 U.S.C. 1221e–3, 1406, 1411–1419, unless otherwise noted.

- 2. Section 300.203 is revised to read as follows:

§ 300.203 Maintenance of effort.

(a) *Compliance standard.* (1) Except as provided in §§ 300.204 and 300.205, funds provided to an LEA under Part B of the Act must not be used to reduce the level of expenditures for the education of children with disabilities made by the LEA from local funds below the level of those expenditures for the preceding fiscal year.

(2) An LEA meets this standard if it does not—

(i) Reduce the level of expenditures for the education of children with disabilities made by the LEA from State and local funds, either in total or per capita, below the level of those expenditures for the preceding fiscal year, except as provided in §§ 300.204 and 300.205;

(ii) Reduce the level of expenditures for the education of children with disabilities made by the LEA from local funds, either in total or per capita, below the level of those expenditures for the most recent fiscal year for which the LEA met the MOE compliance standard based on local funds only,

even if the LEA also met the MOE compliance standard based on State and local funds, except as provided in §§ 300.204 and 300.205; or

(iii) Reduce the level of expenditures for the education of children with disabilities made by the LEA from local funds, either in total or per capita, below the level of those expenditures for the preceding fiscal year if the LEA has not previously met the MOE compliance standard based on local funds only, except as provided in §§ 300.204 and 300.205.

(3) Expenditures made from funds provided by the Federal Government for which the SEA is required to account to the Federal Government or for which the LEA is required to account to the Federal Government directly or through the SEA may not be considered in determining whether an LEA meets the standard in this paragraph.

(b) *Eligibility standard.* (1) Except as provided in paragraph (b)(2) of this section, the SEA must determine that an LEA complies with paragraph (a) of this section for purposes of establishing the LEA's eligibility for an award for a fiscal year if the LEA budgets, for the education of children with disabilities, at least the same total or per capita amount from either of the following sources as the LEA spent for that purpose from the same source for the most recent fiscal year for which information is available:

(i) Local funds only.

(ii) The combination of State and local funds.

(2) An LEA that relies on paragraph (b)(1)(i) of this section for any fiscal year must ensure that the amount of local funds it budgets for the education of children with disabilities in that year is at least the same, either in total or per capita, as the amount it spent for that purpose in the most recent fiscal year for which information is available and the LEA met the MOE compliance standard based on State and local funds.

(3) An LEA that relies on paragraph (b)(1)(i) of this section for any fiscal year and has not previously met the MOE compliance standard based on local funds only must ensure that the amount of local funds it budgets for the education of children with disabilities in that year is at least the same, either in total or per capita, as the amount it spent from local funds for that purpose in the most recent fiscal year for which information is available.

(c) *Subsequent years.* If, for any fiscal year, an LEA fails to meet the requirement of paragraph (a) of this

section, the level of expenditures required of the LEA for any fiscal year beginning on or after July 1, 2014 under paragraphs (a) and (b) of this section is the amount that would have been required in the absence of that failure and not the LEA's reduced level of expenditures.

(d) *Consequence of failure to maintain effort.* If an LEA fails to maintain its level of expenditures for the education of children with disabilities in accordance with paragraph (a) of this section, the SEA is liable in a recovery action under 20 U.S.C. 1234a to return to the Department, using non-Federal funds, an amount equal to the amount by which the LEA failed to maintain its level of expenditures in accordance with paragraph (a) of this section.

ACTION: Proposed rule.

SUMMARY: EPA proposes to approve the State Implementation Plan (SIP) revision submitted by the state of Missouri on August 12, 2011. This revision proposes to update the state general conformity rule in its entirety to bring it into compliance with the Federal general conformity rule which was updated in the **Federal Register** on April 5, 2010. General conformity regulations prohibit Federal agencies from taking actions that may cause or contribute to violations of the National Ambient Air Quality Standards (NAAQS). This rule applies to non-attainment and maintenance areas of the state. The revision to Missouri's rule does not have an adverse affect on air quality. EPA's approval of this SIP revision is being done in accordance with the requirements of the Clean Air Act (CAA).

DATES: Comments on this proposed action must be received in writing by October 18, 2013.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA-R07-OAR-2013-0511, by mail to Amy Bhesania, Environmental Protection Agency, Air Planning and Development Branch, 11201 Renner Boulevard, Lenexa, Kansas 66219. SUPPLEMENTARY INFORMATION: In the final rules section of the **Federal Register**, EPA is approving the state's SIP revision as a direct final rule without prior proposal because the Agency views this as a noncontroversial revision amendment and anticipates no relevant adverse comments to this action. A detailed rationale for the approval is set forth in the direct final rule. If no relevant adverse comments are received in response to this action, no further activity is contemplated in relation to this action. If EPA receives relevant adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed action. EPA will not institute a second comment period on this action. Any parties interested in commenting on this action should do so at this time. Please note that if EPA receives adverse comment on part of this rule and if that part can be severed from the remainder of the rule, EPA may adopt as final those parts of the rule that are not the subject of an adverse comment. For additional information, see the direct final rule which is located in the rules section of this **Federal Register**.

SUPPLEMENTARY INFORMATION: On September 6, 2012, the Department published a notice of proposed rulemaking (NPRM) entitled, "Disadvantaged Business Enterprise: Program Implementation Modifications," at 77 FR 54952, that proposed various changes to the Department's DBE program, including: revisions to personal net worth, application, and reporting forms; modifications to various certification-related provisions of the rule; and revisions to several other provisions of the rule, concerning such subjects as good faith efforts, transit vehicle manufacturers and goal setting. The Department then published a notice on October 25, 2012, at 77 FR 651164, that corrected minor errors in the NPRM related to the Paperwork Reduction Act and extended the public comment period until December 24, 2012. Several commenters suggested that the Department hold a public meeting or listening session on the proposed changes before issuing a final rule. After reviewing the comments, the Department agrees that a public listening session would be helpful to all relevant stakeholders as well as interested members of the public and has scheduled a public listening session for October 9, 2013.

Listening Session

The listening session will provide an opportunity for interested parties to articulate the issues and concerns they have with certain aspects of the NPRM. In particular, the Department is interested in hearing from the public on the following:

1. What are the specific, quantifiable costs and benefits associated with completing or reviewing the proposed forms (Personal Net Worth, Certification Application, Uniform Report on Awards/Commitments; DBE Payment Data) from the perspective of a certifying entity, an applicant firm, or a recipient (where applicable);
