

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on October 31, 2013. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. It should also be noted that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review.

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within 30 days of publication of this notice in the Federal Register. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1235-0007. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology,

e.g., permitting electronic submission of responses.

DEPARTMENT OF LABOR

Occupational Safety and Health Administration

Agency Information Collection Activities: Announcement of the Office of Management and Budget (OMB) Control Numbers Under the Paperwork Reduction Act

AGENCY: Occupational Safety and Health Administration (OSHA), Labor.

ACTION: Notice; announcement of OMB approval of information collection requirements.

SUMMARY: The Occupational Safety and Health Administration announces that the Office of Management and Budget (OMB) extended its approval for a number of information collection requirements found in sections of 29 CFR parts 1910, 1915, and 1926. OSHA

sought approval of these requirements under the Paperwork Reduction Act of 1995 (PRA-95), and, as required by that Act, is announcing the approval numbers and expiration dates for these requirements.

DATES: This notice is effective September 19, 2013.

FOR FURTHER INFORMATION CONTACT: Theda Kenney or Todd Owen, Directorate of Standards and Guidance, Occupational Safety and Health Administration, U.S. Department of Labor, Room N-3609, 200 Constitution Avenue NW., Washington, DC 20210, telephone: (202) 693-2222.

SUPPLEMENTARY INFORMATION: In a series of Federal Register notices, the Agency announced its requests to OMB to renew its current extensions of approvals for various information collection (paperwork) requirements in its safety and health standards pertaining to, general industry, shipyard employment, and the construction industry (i.e., 29 CFR parts 1910, 1915, and 1926), and regulations containing procedures for handling of retaliation complaints. In these Federal Register announcements, the Agency provided 60-day comment periods for the public to respond to OSHA's burden hour and cost estimates.

In accordance with PRA-95 (44 U.S.C. 3501-3520), OMB renewed its approval for these information collection requirements, and assigned OMB control numbers to these requirements. The table below provides the following information for each of these information collection requirements approved by OMB: the title of the Federal Register notice; the Federal Register reference (date, volume, and leading page); OMB's Control Number; and the new expiration date.

DEPARTMENT OF LABOR

Office of Workers' Compensation Programs

Proposed Extension of Existing Collection; Comment Request: Division of Longshore and Harbor Workers' Compensation

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Office of Workers' Compensation (OWCP) is soliciting comments concerning the proposed collection: Employer's First Report of Injury or Occupational Disease (LS–202) and Employer's Supplementary Report of Accident or Occupational Illness (LS–210). A copy of the proposed information collection request can be obtained by contacting the office listed below in the address section of this Notice.

DATES: Written comments must be submitted to the office listed in the addresses section below on or before November 18, 2013.

ADDRESSES: Ms. Yoon Ferguson, U.S. Department of Labor, 200 Constitution Ave. NW., Room S–3323, Washington, DC 20210, telephone (202) 693–0701, fax (202) 693–1449, Email

ferguson.yoon@dol.gov. Please use only one method of transmission for comments (mail, fax, or Email).

SUPPLEMENTARY INFORMATION:

I. Background

The Office of Workers' Compensation Programs administers the Longshore and Harbor Workers' Compensation Act. The Act provides benefits to workers injured in maritime employment on the navigable waters of the United States and adjoining area customarily used by an employee in loading, unloading, repairing, or building a vessel. The LS–202 is used by employers initially to report injuries that have occurred which are covered under the Longshore Act and its related statutes. The LS–210 is used to report additional periods of lost time from work. This information collection is currently approved for use through January 31, 2014.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
