**SUPPLEMENTARY INFORMATION:** On June 28, 2013, the National Institute of Standards and Technology (NIST) announced that it was soliciting comments relating to Computer Security Incident Coordination (78 FR 38949). That Request for Information may be found at <https://federalregister.gov/a/2013-15542>. The comments collected will contribute to a NIST Special Publication on Computer Security Incident Coordination. NIST experienced technical difficulties with receiving email comments from the time the notice was published on June 28, 2013 through July 31, 2013. Due to the technical difficulties experienced during the comment period, NIST may not have received all comments submitted via email on or before the closing date, July 29, 2013. Persons who submitted comments via email on or before July 29, 2013 may resubmit their comments during the extended comment period. In addition, since NIST is extending the comment period, persons who submitted untimely comments between July 29, 2013 and July 31, 2013 also may resubmit their comments during the extended comment period. NIST will accept new comments during the extended comment period as well. NIST will accept only emails during the extended time period.
