Abstract of Proposed Collection

Under 22 United States Code (U.S.C.) Section 211a *et seq.* and Executive Order 11295 (August 5, 1966), the Secretary of State has authority to issue U.S. passports to U.S. citizens and non-citizen nationals. When the bearer of a valid U.S. passport applies for a new passport book and/or passport card with corrected personal data or when the bearer of a limited validity passport applies for a fully-valid replacement passport, the Department must confirm the applicant's identity and eligibility to receive passport services before the Department can issue the corrected or replacement passport to the applicant. Form DS-5504 requests information that is necessary to determine whether the applicant is eligible to receive this service in accordance with the requirements of Title III of the Immigration and Nationality Act (INA) (U.S.C. sections 1402-1504), the regulations at 22 CFR parts 50 and 51, and other applicable treaties and laws.

Methodology

Passport Services collects information from U.S. citizens and non-citizen nationals when they complete and submit the Application for a U.S. Passport: Name Change, Data Correction, and Limited Passport Book Replacement. Passport applicants can either download the DS-5504 from the internet or obtain one from an Acceptance Facility/Passport Agency. The form must be completed, signed, and submitted along with the applicant's valid U.S. passport and supporting documents for corrective action.

Deputy Assistant Secretary for Passport Services, Bureau of Consular Affairs, Department of State.
